

## Steps to enroll to NPTEL Courses

Step 1 – Go to url – <https://swayam.gov.in/>

Step 2 – Click on Sign in / Register tab

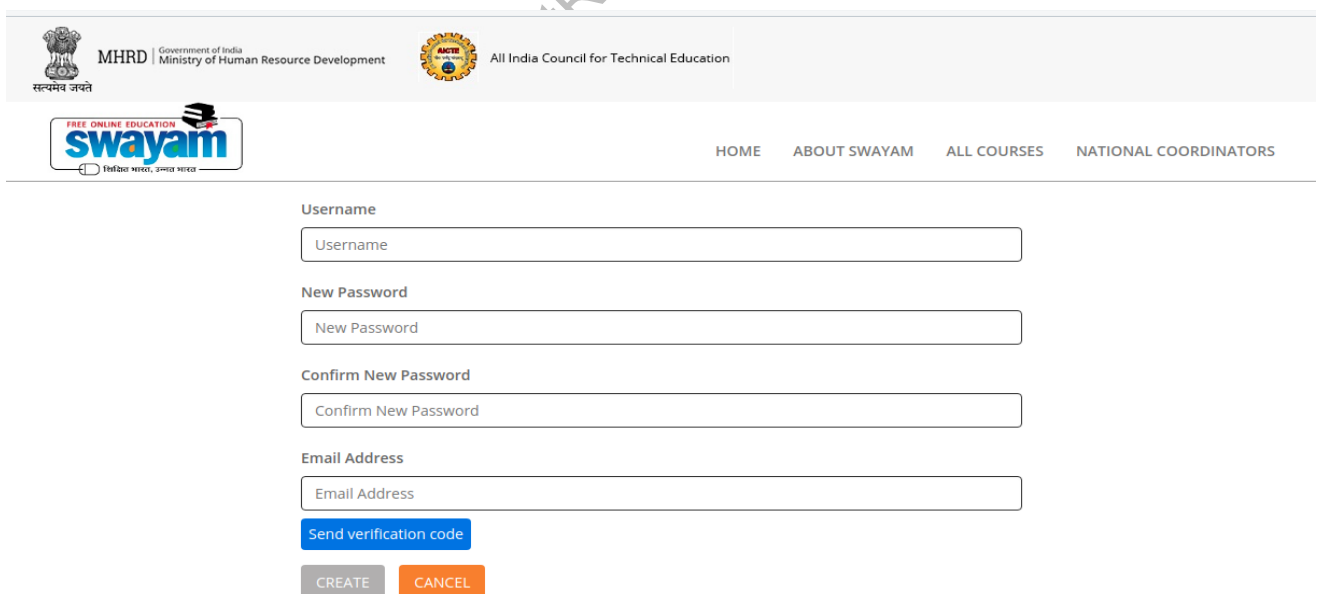

Step 3 – Login using any of option mentioned here

The screenshot shows the Swayam login interface. At the top, there are logos for MHRD (Government of India Ministry of Human Resource Development) and AICTE (All India Council for Technical Education). Below these is the Swayam logo with the tagline 'FREE ONLINE EDUCATION'. The navigation bar includes links for HOME, ABOUT SWAYAM, ALL COURSES, and NATIONAL COORDINATORS. The main content area has a 'Login:' section with the instruction 'Login into SWAYAM using Facebook, Google, Microsoft or SWAYAM account.' There are three buttons for login: Microsoft Account, Google, and Facebook. To the right of these buttons is a vertical line with 'OR' in the middle. Further right are input fields for 'Username' and 'Password', followed by a 'Sign In' button. Below the 'Sign In' button is a link 'Forgot your password?'. At the bottom, there is a link 'Don't have an account? Sign up now'.

Step 4 – If you have a Google enabled email id, you can login through Google option. If you wish to login through your company email id / non Google enabled email id then you have to create your own login. Click on 'Sign up now', create your own username password, and provide your email id there.

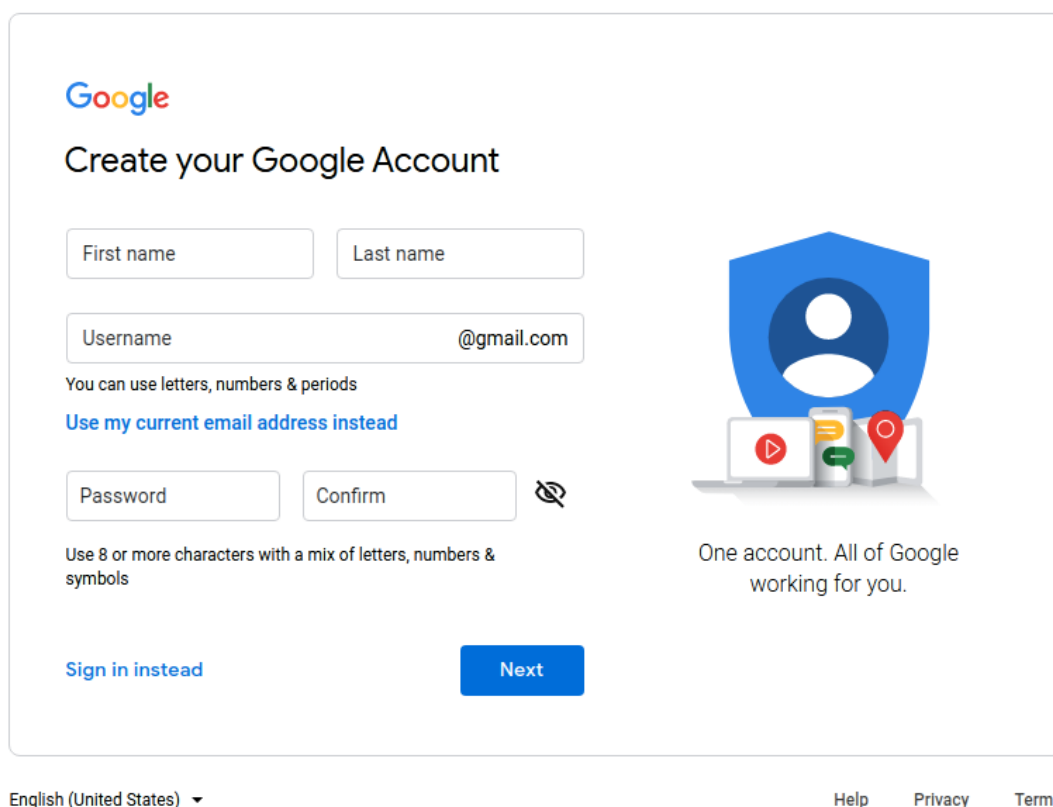

Henceforth, you will be able to login through this username and password.

The screenshot shows the Swayam registration interface. It features the same header and navigation bar as the login page. The main content area has a registration form with the following fields: 'Username', 'New Password', 'Confirm New Password', and 'Email Address'. Below the 'Email Address' field is a blue button labeled 'Send verification code'. At the bottom of the form are two buttons: 'CREATE' (grey) and 'CANCEL' (orange).

You can also convert your non Google enabled email id to a Google enabled email id.

For creating a Google enabled email id, go to 'Create your Google Account' page. When you create a Google Account, they will ask for some personal info. Here you can find 'Use my current email address instead' tab. You can provide any email id, which you wish to convert to a google enabled email id. By following the mentioned steps, your exsisting email id will be changed to google enabled email id.
