

Learning Objectives

- Cutaneous Nerves, Vessels and lymphatics
- Muscles ,Attachment , Action and Nerve Supply
- Structures under cover of Gluteus Maximus
- Clinical Applications

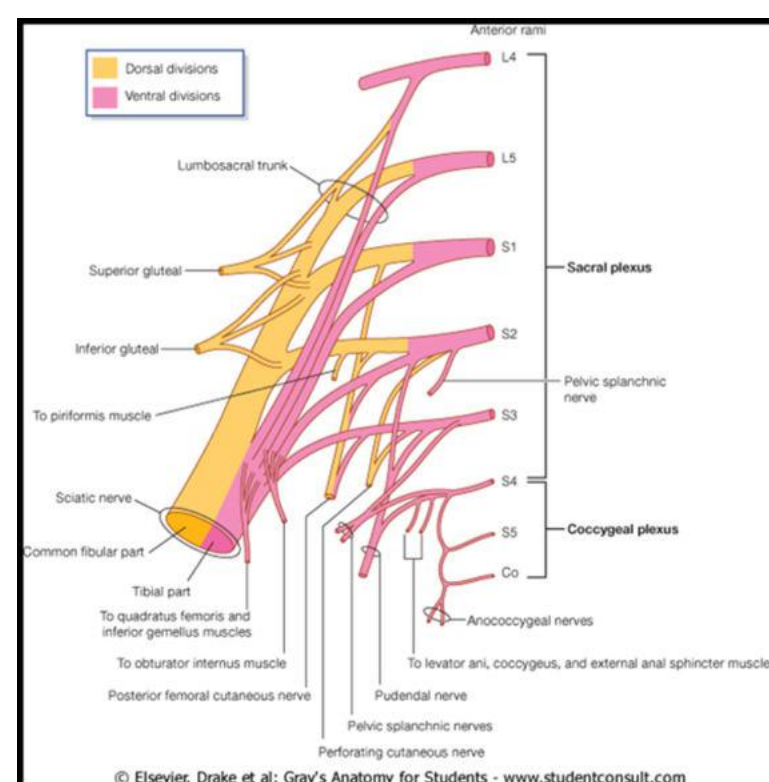

Innervation

Plexuses of the Lower Limb/Lumbosacral plexus

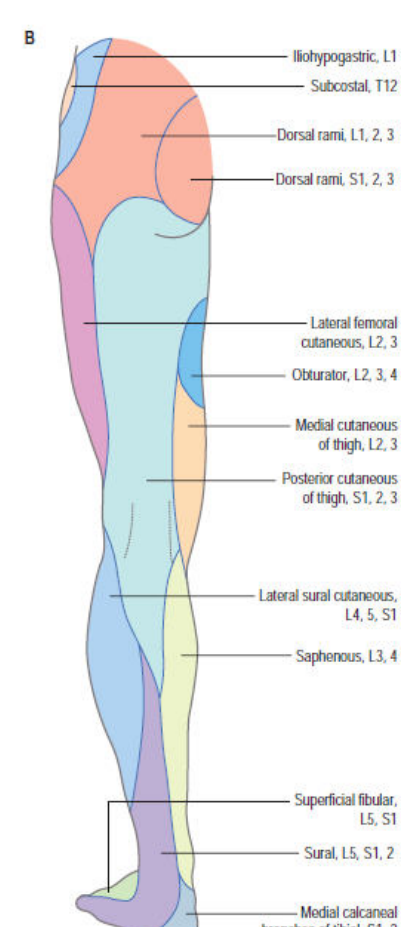

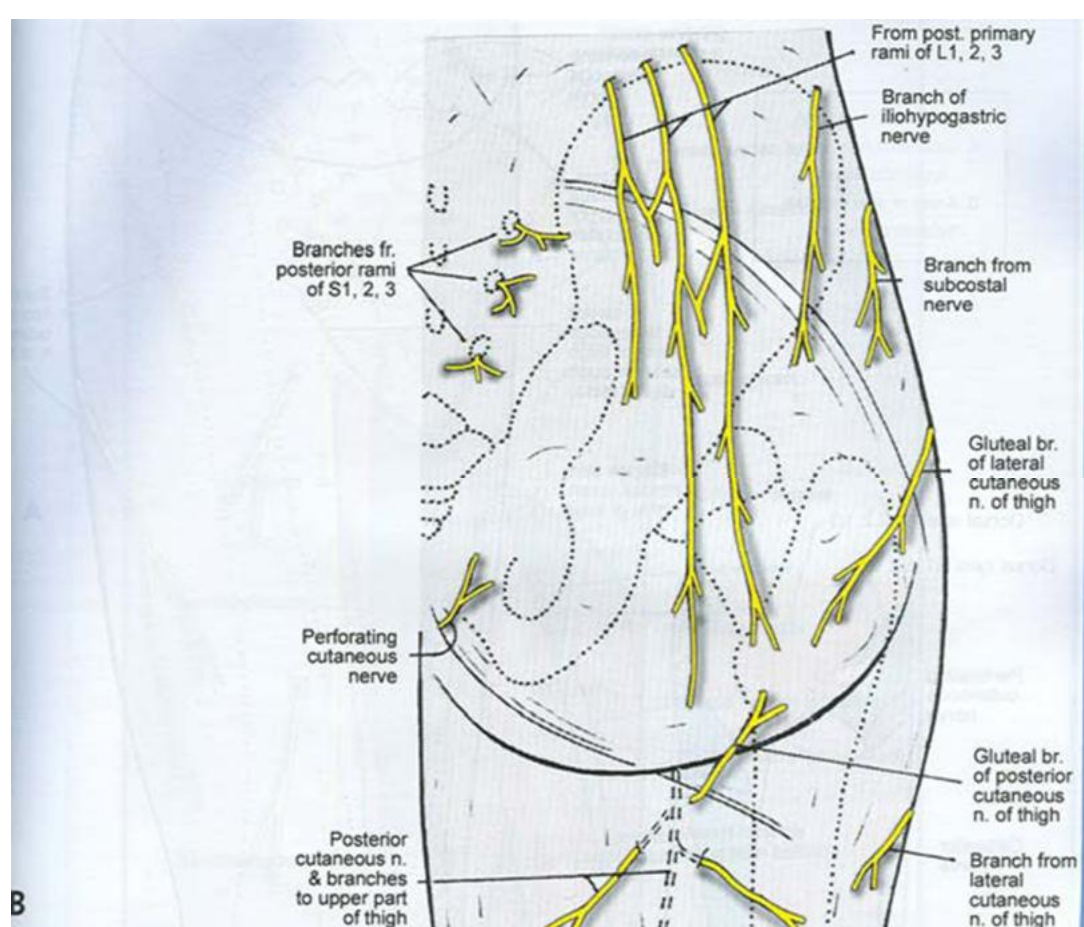

Lumbar Plexus

Sacral Plexus

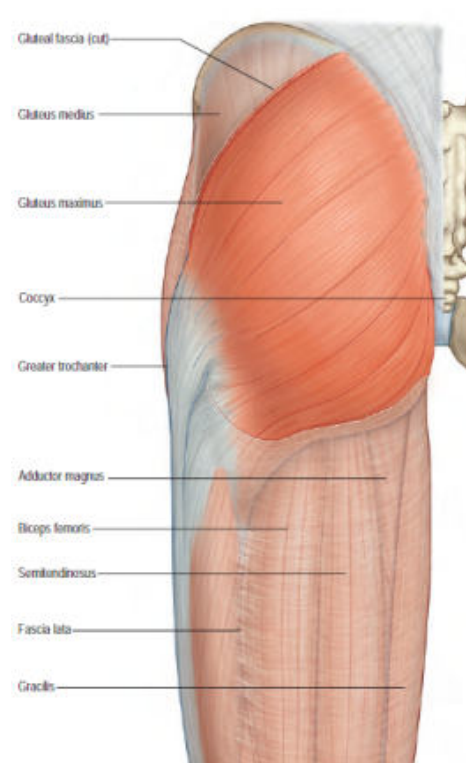

Cutaneous Nerve Supply

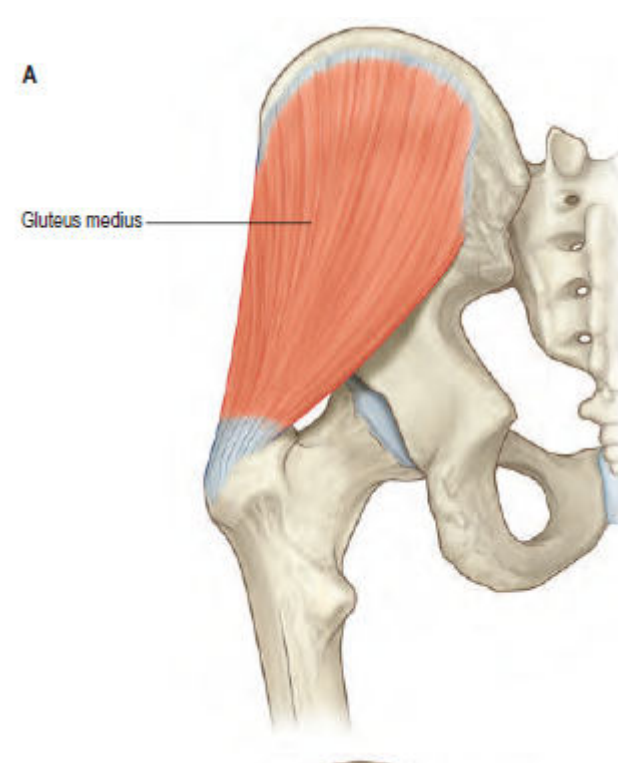

Muscles

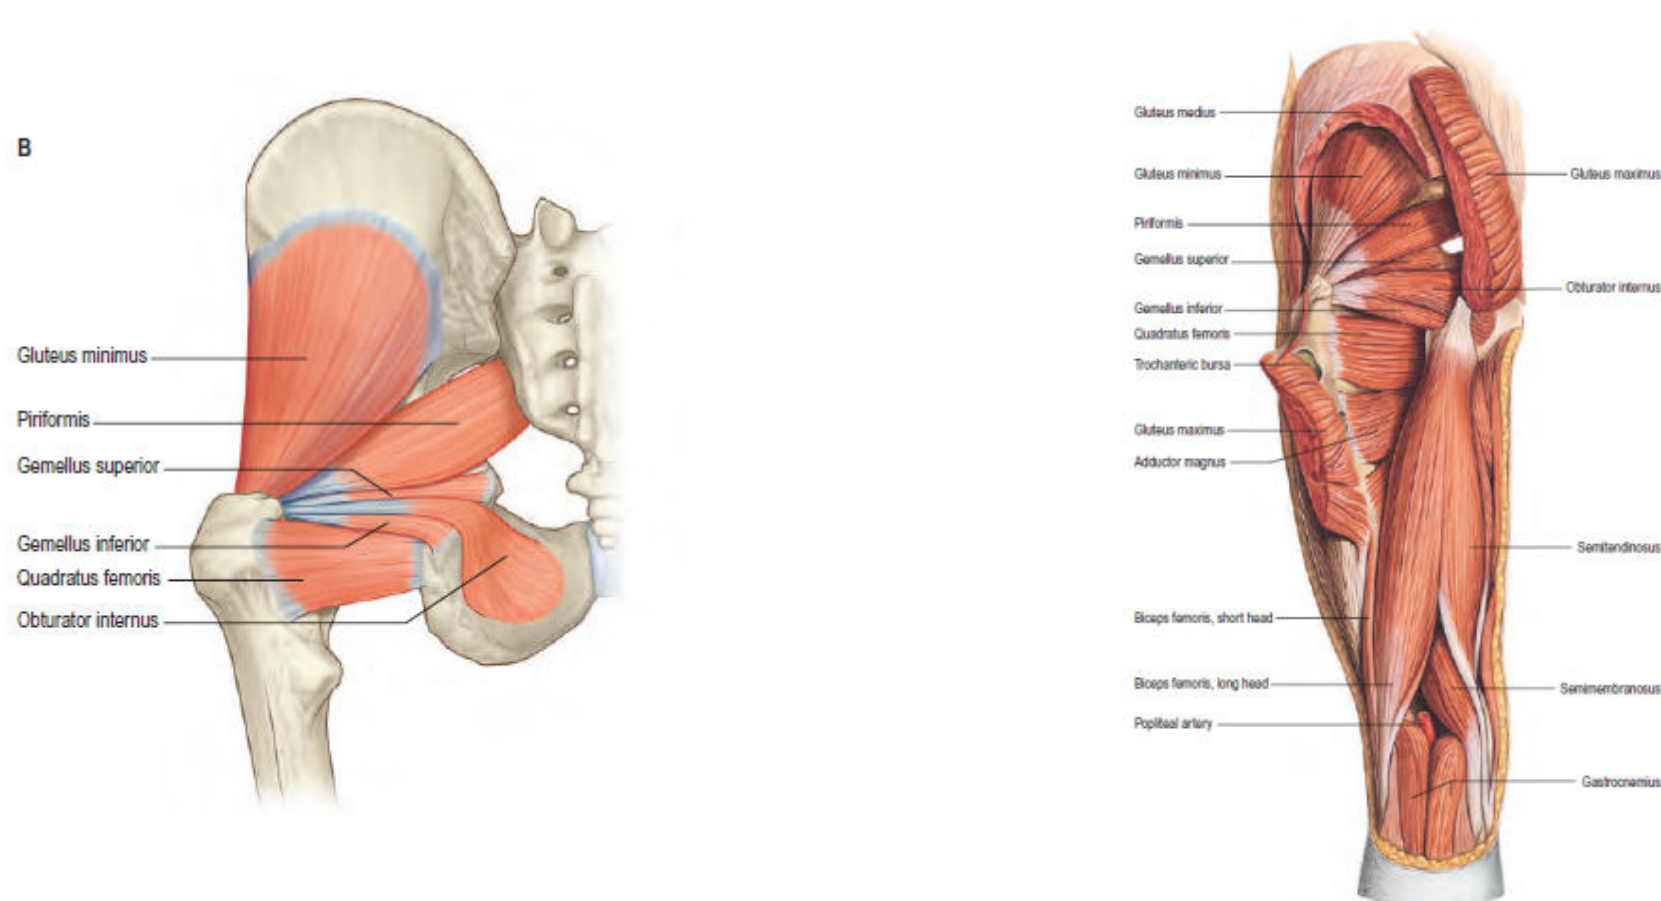

Gluteus Maximus

Gluteus Medius

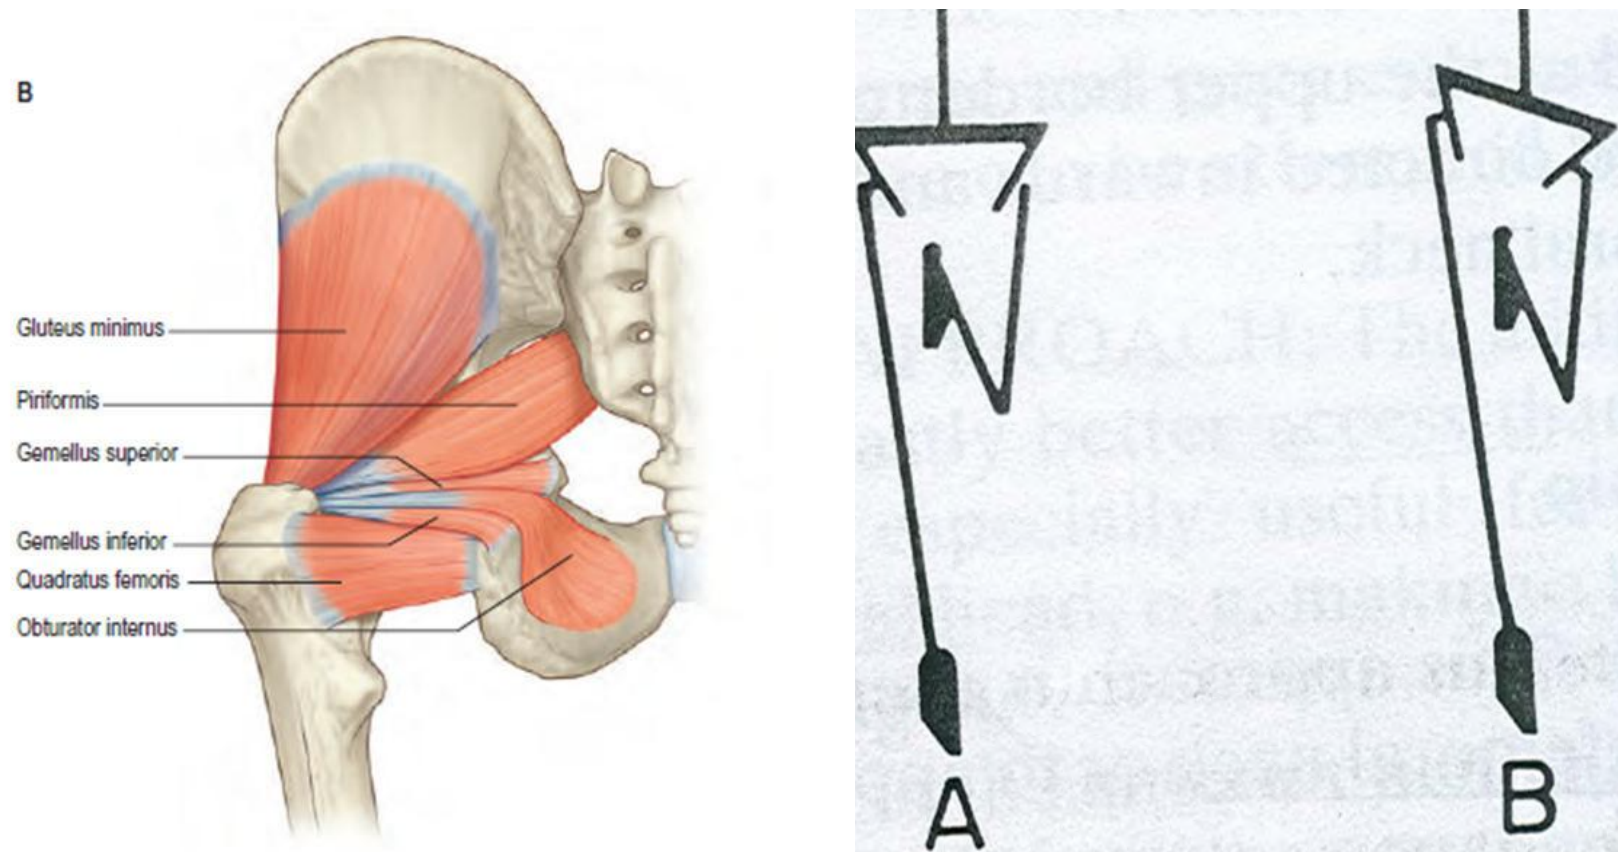

Continued

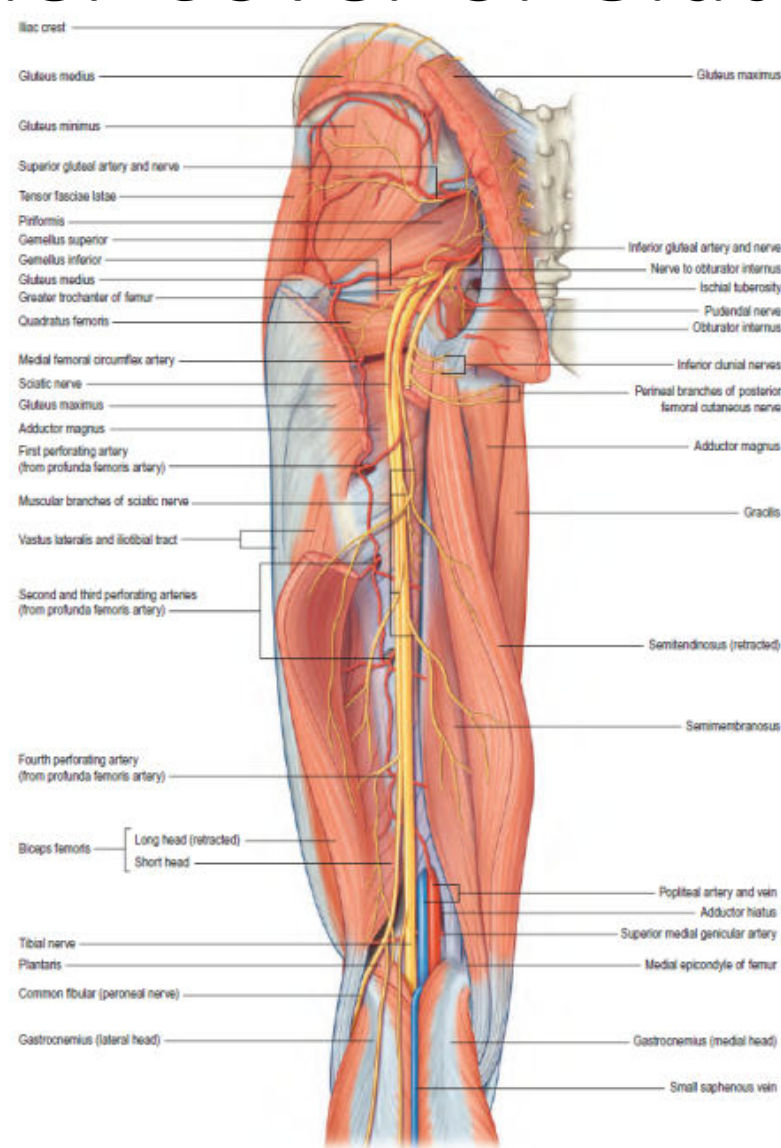

Abductor Mechanism of Hip

Trendelenburg test

Structures Under Cover of Gluteus Maximus

Trochanteric and Cruciate Anastomosis
