

Section 1

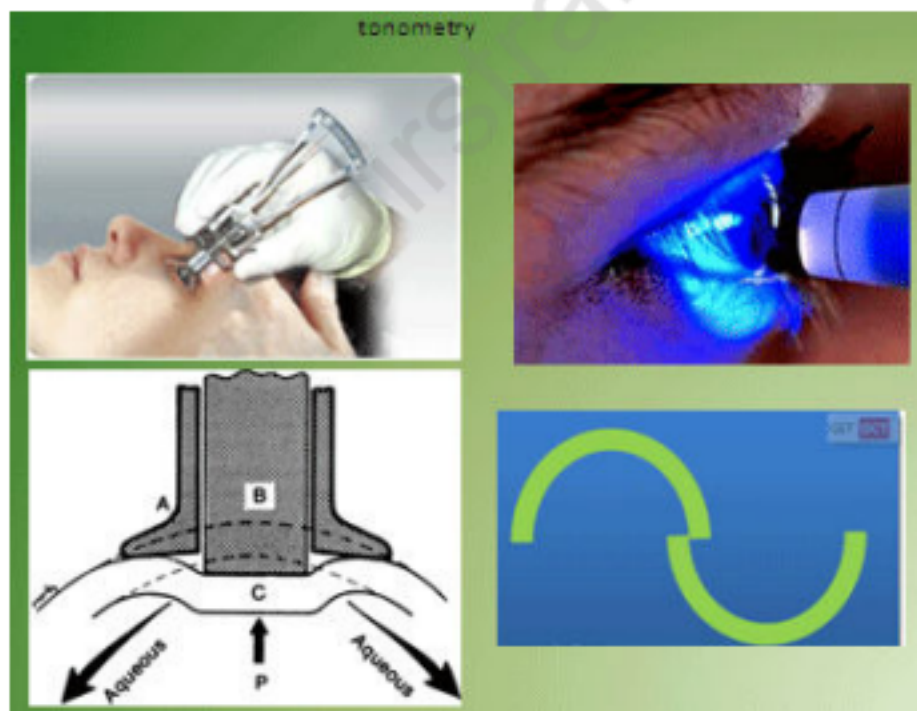

Q. 1

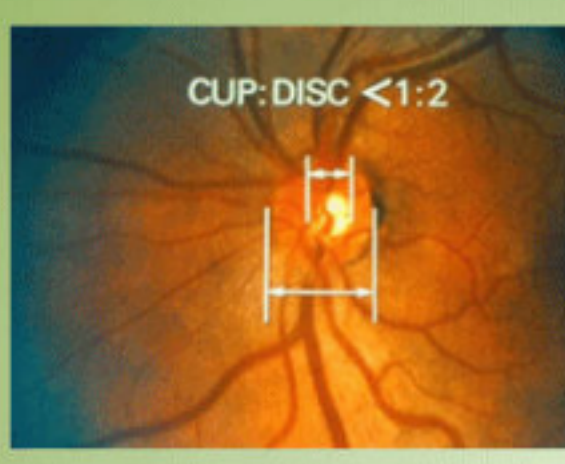

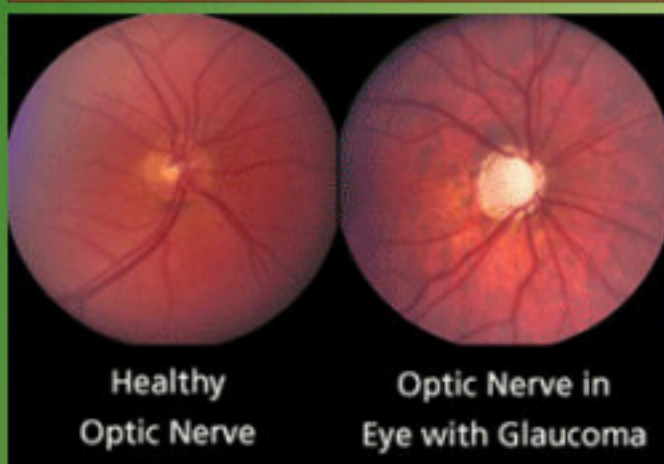

Herpes zoster

buphthalmos

Acute congestive glaucoma

Neovascular glaucoma

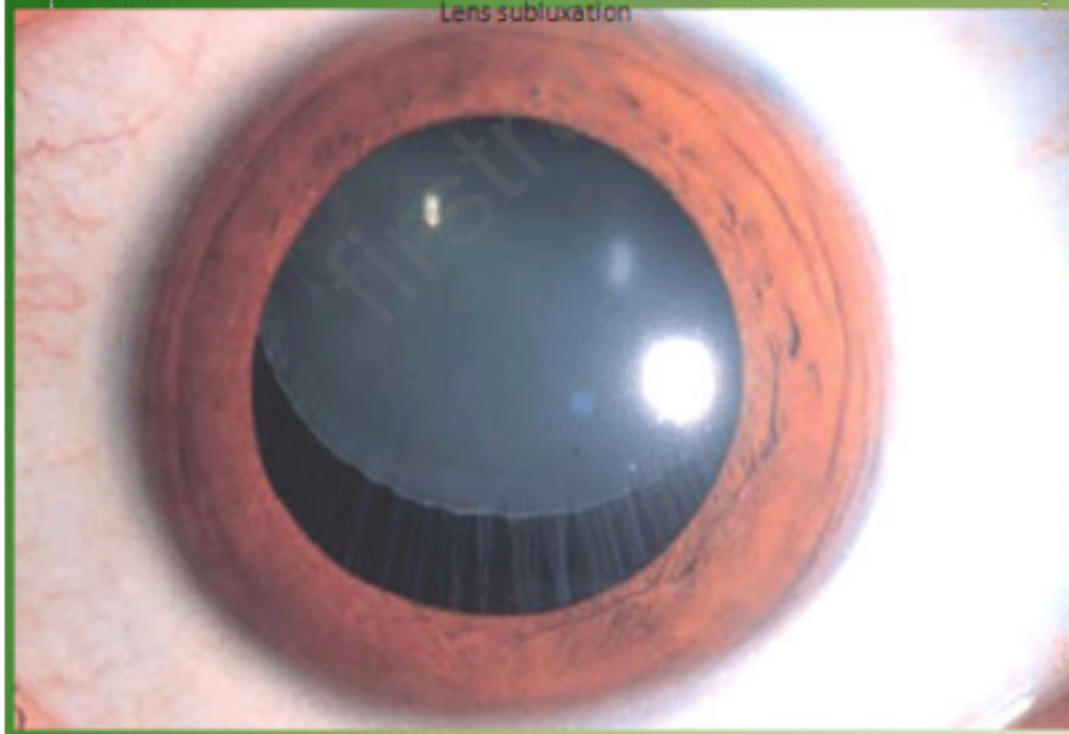

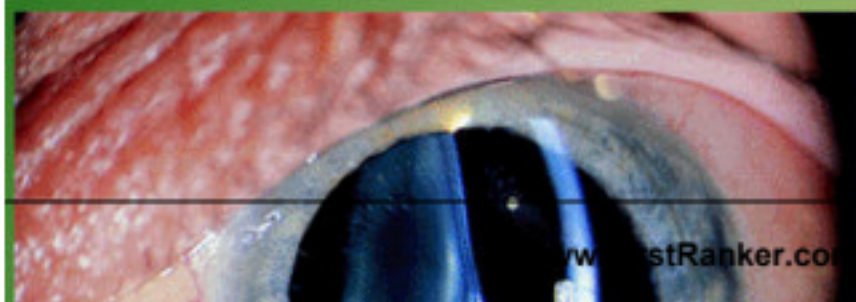

Acute dacryocystitis

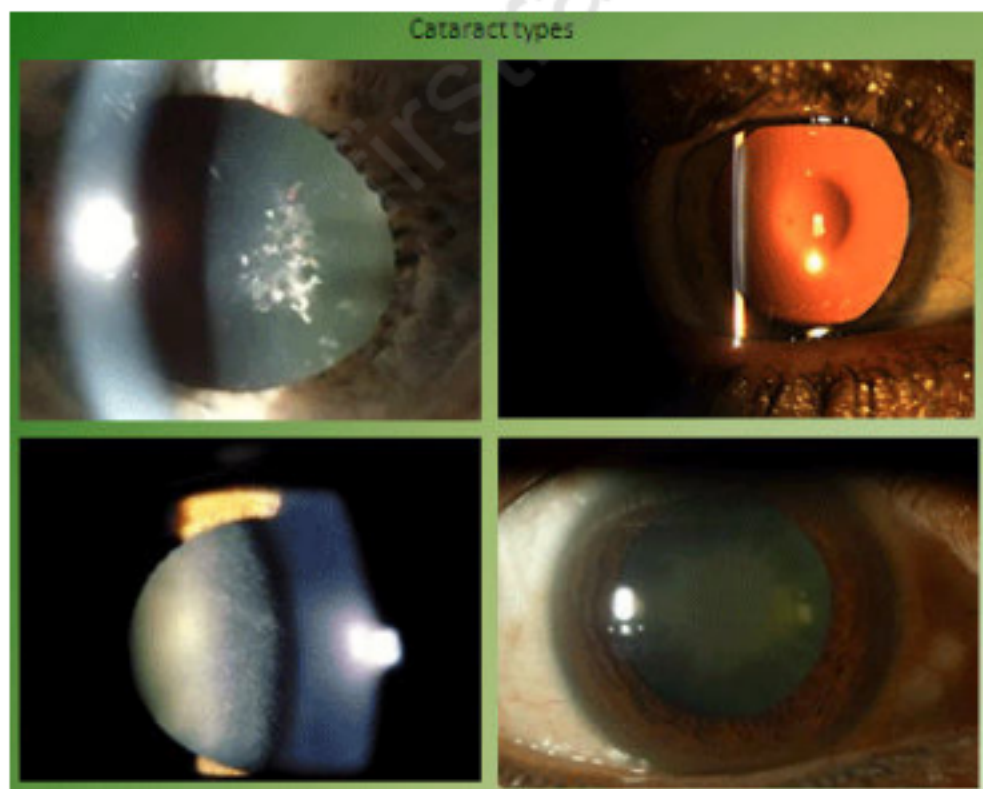

Lens subluxation

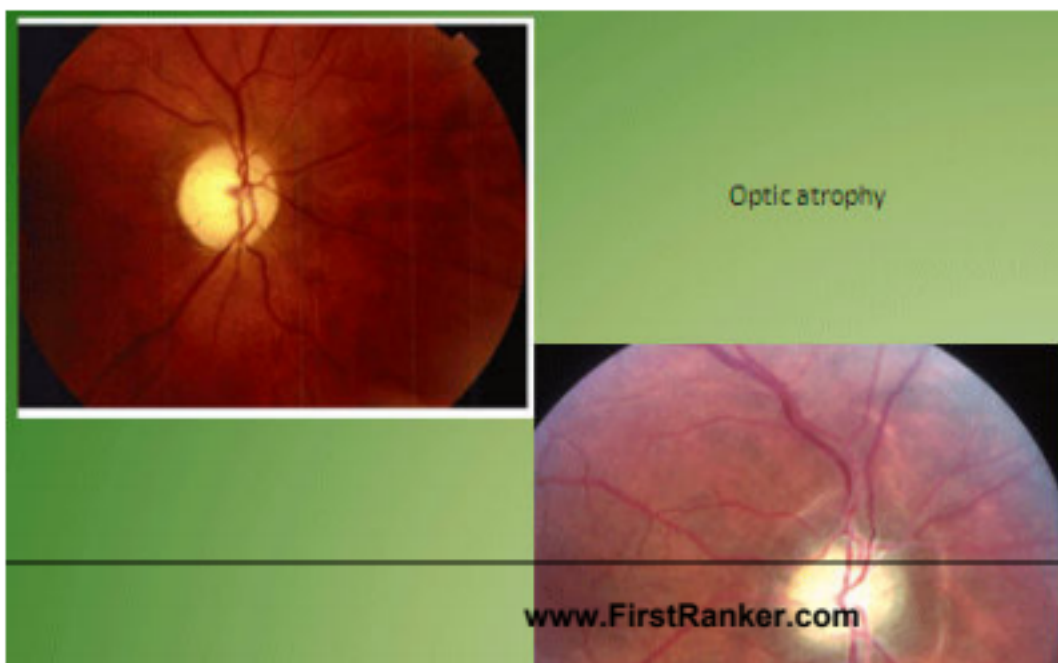

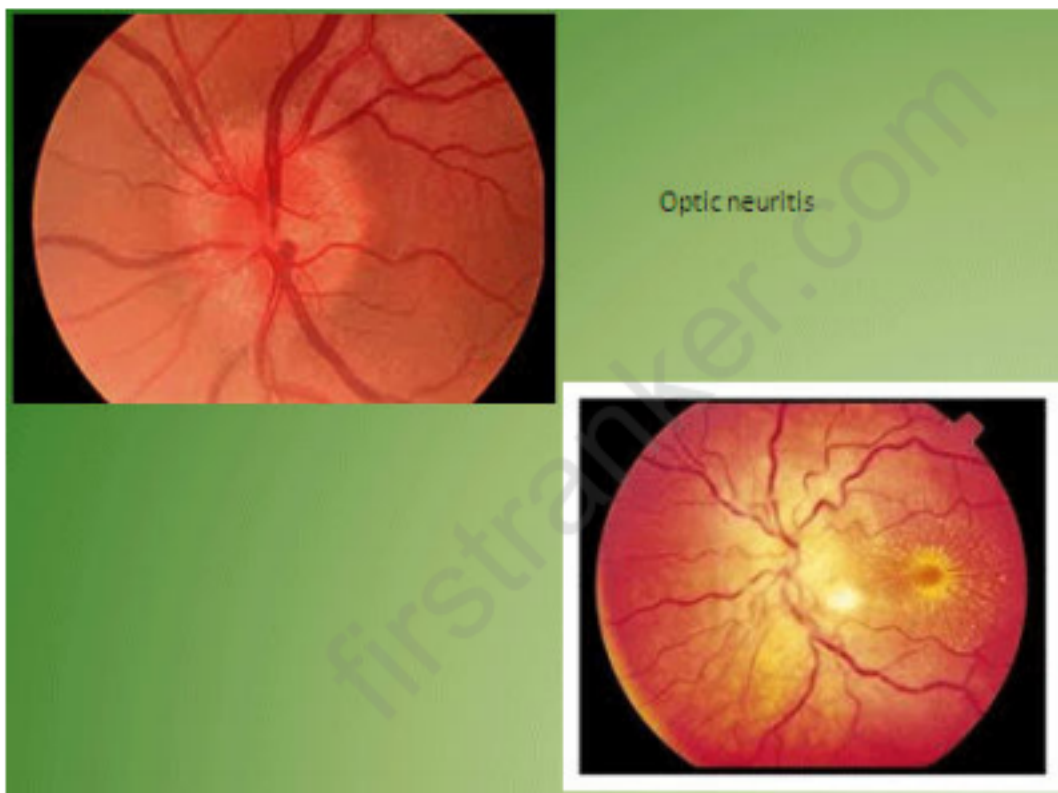

Lenticulus

ptosis

retinoblastoma

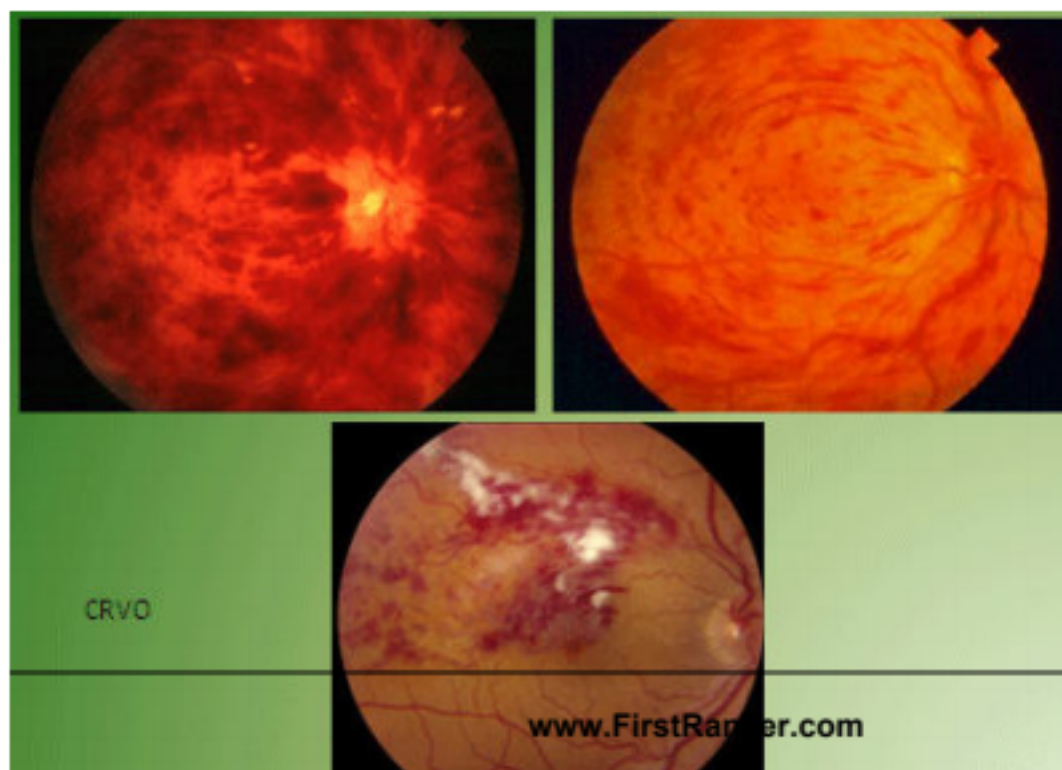

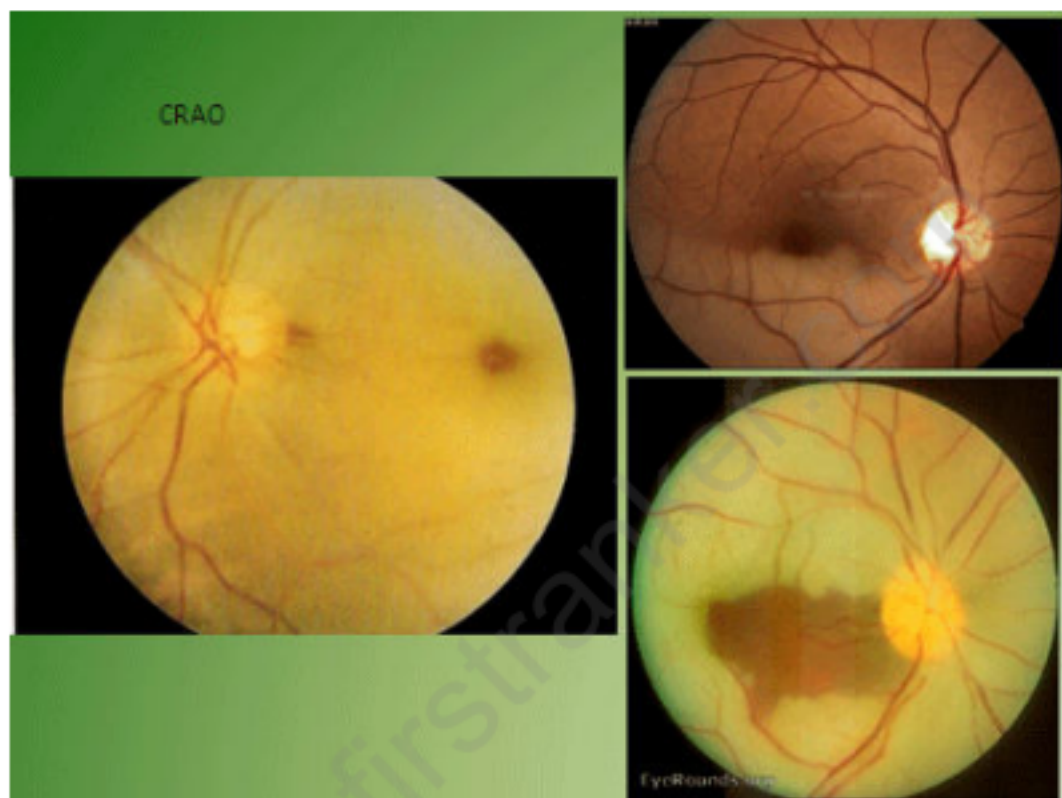

Thyroid ophthalmopathy

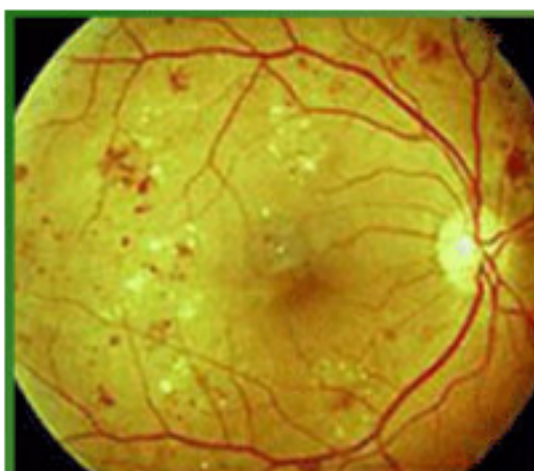

Orbital cellulitis

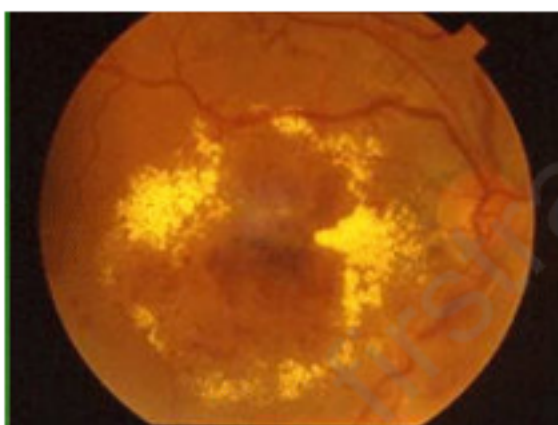

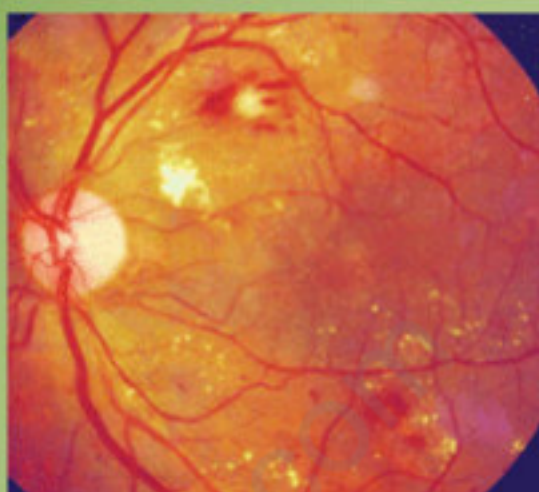

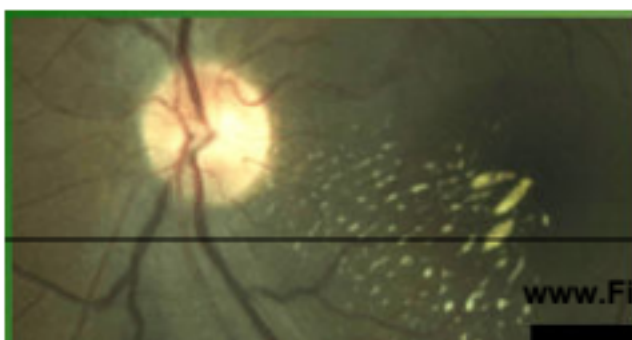

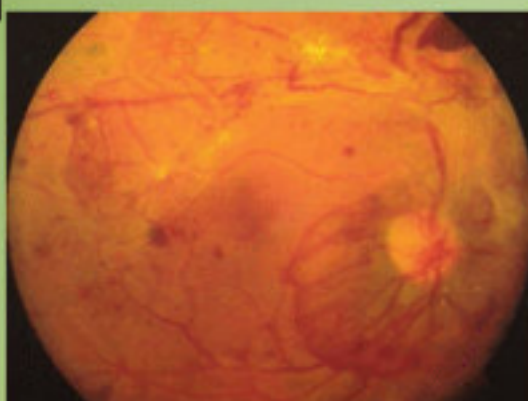

CRVO

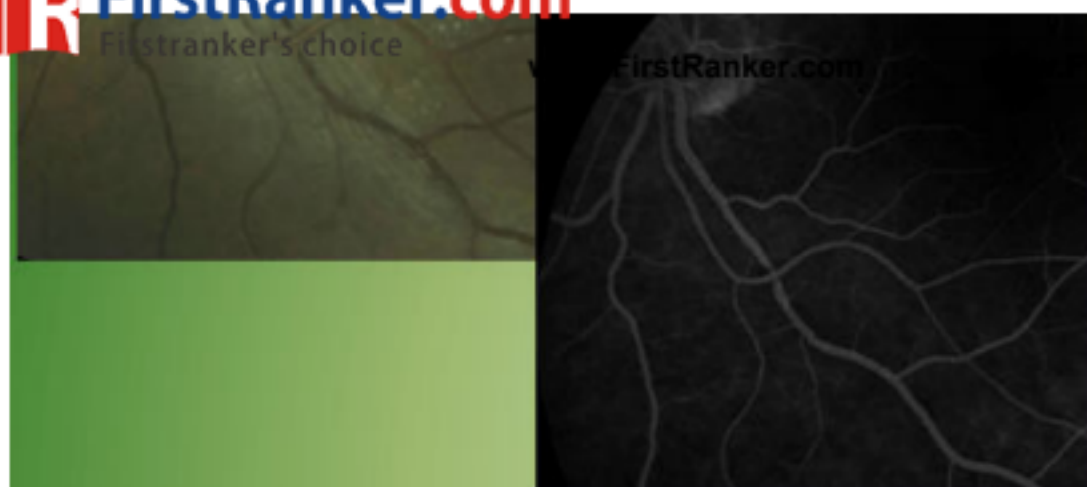

NP diabetic retinopathy

Proliferative
Diabetic retinopathy

HTR

HTR PAPILLOEDEMA

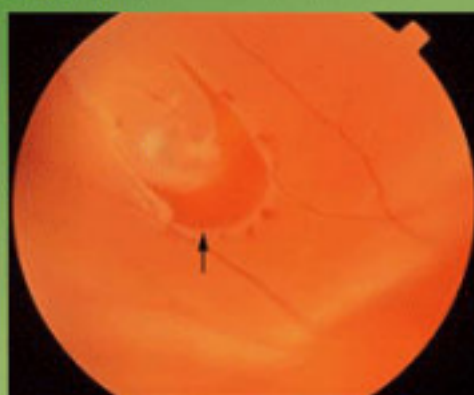

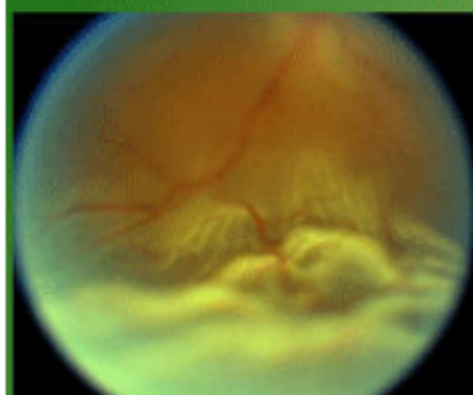

Roth spot

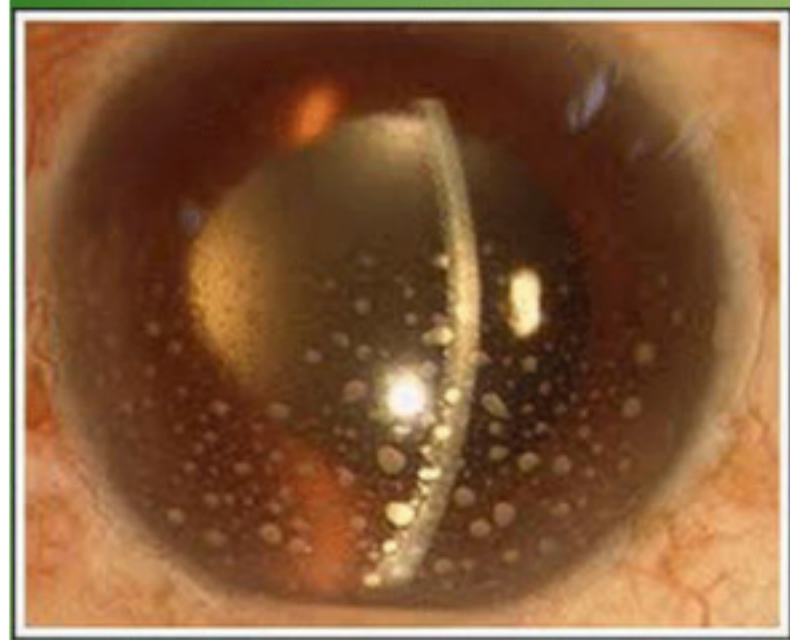

Bull's eye maculopathy

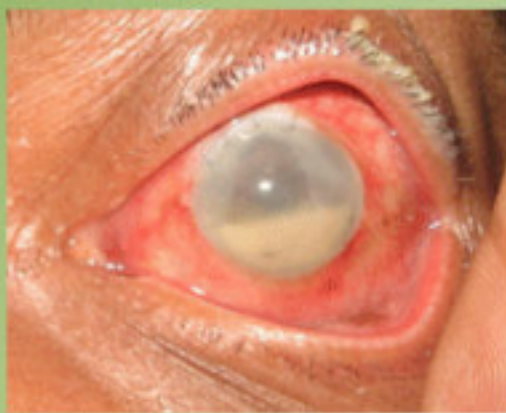

Retinal detachment

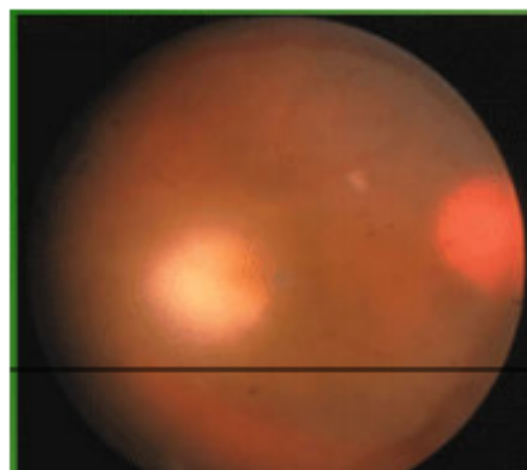

uveitis

Panophthalmitis
endophthalmitis

toxoplasmosis

Thank you

1. ☐

Question Id: 5452559 Question Type:

Correct Answer: 1

Solution:

Ans. (1)

Q. 2

Supplement

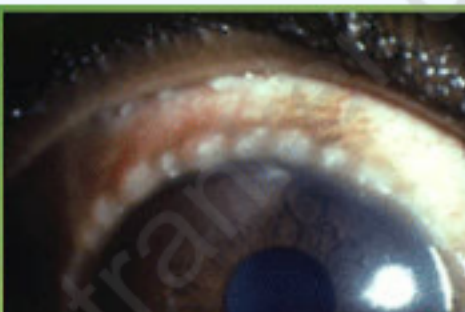

Question Id: 5454522 Question Type: Subjective Max Marks : 0

Solution:

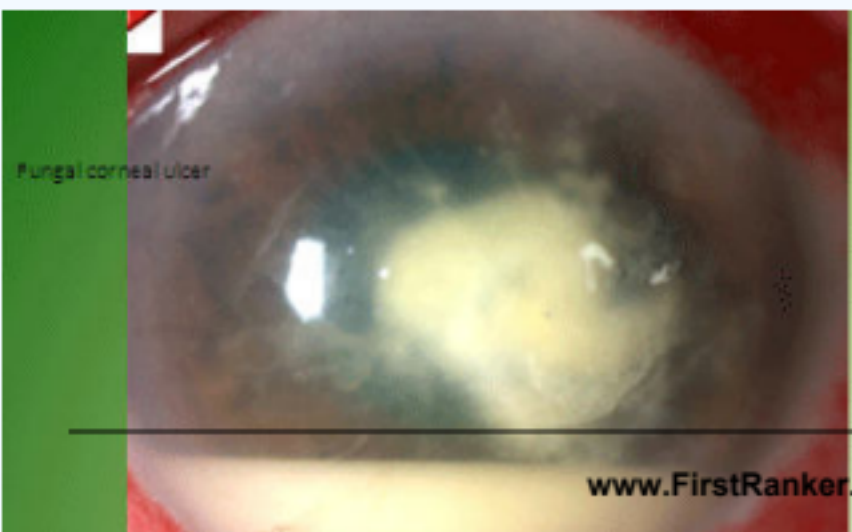

Trachoma

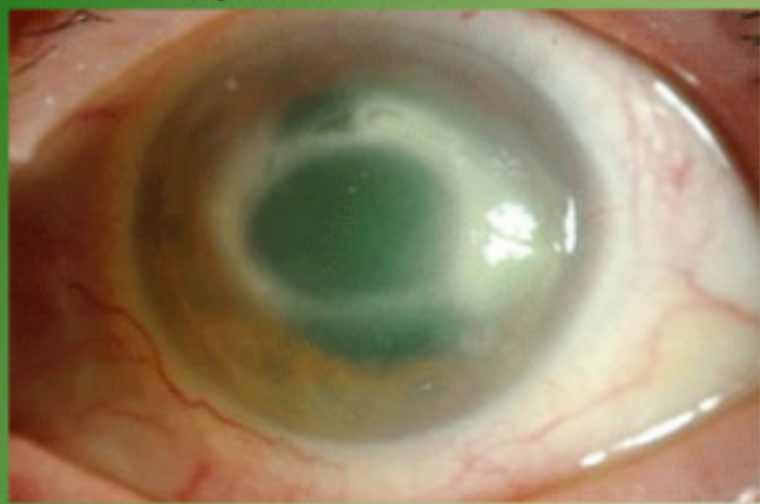

Allergic
conjunctivitis

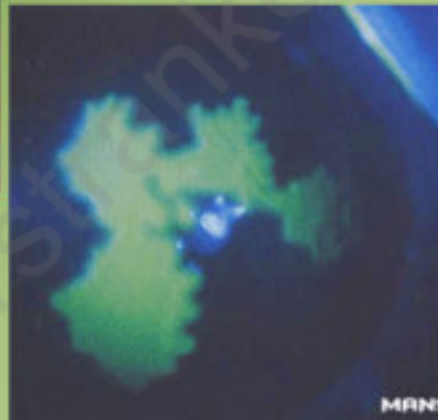

Fungal corneal ulcer

Ring corneal ulcer

Viral keratitis

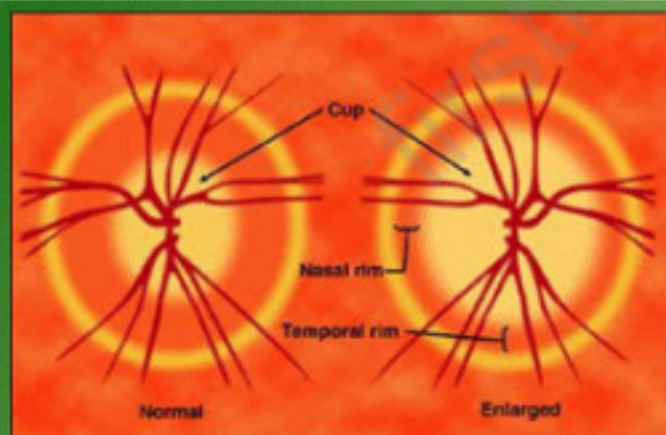

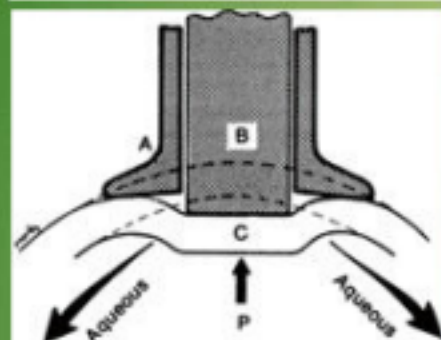

Herpes zoster

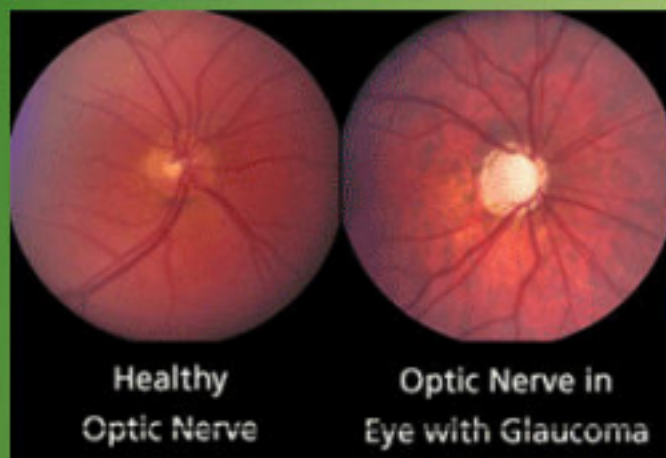

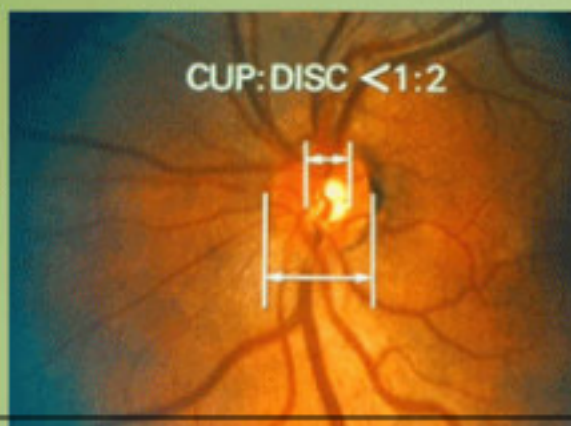

tonometry

Disc in glaucoma

CUP:DISC <1:2
