OR

- **Q.4** (a) Explain I/O Model of Above Average return with a diagram.
 - (b) Explain Porter's Five Force Model with application in an organization of your 07 choice.
- Q.5 After 60 years of pedaling hospitality through its chain of luxury hotels, the famous 14 Oberoi name is about to be transferred into a consumer products brand. East India Hotels has drawn up plans to become a multi-product, multi-divisional empire through a series of diversification moves.

The expansion will see the high profile hotel group venture into unfamiliar terrainfood processing, edible oils, tissue paper and health care. These will be in addition to the existing software division.

The first move will see the launch of a variety of processed foods every meal from breakfast to dinner as well as chocolates, spices and mineral water. The plan is to target only the up market segment by feeding on as well as nourishing the brand's reputation. Edible oil, for instance, will be positioned as a product of specialty cooking. The Oberoi brand name is also extended to international quality tissue paper. The Oberoi, after the experience of managing the catering business division of a major hospital in Saudi Arabia, now plan to set up a 250 bed, Rs 40 crore hospital in Delhi with US or Australian collaboration. The Oberoi software division has already started selling its hotel management packages in the domestic market and planning to enter the international market using an international tie-up.

Question

- 1) Has East India Hotels capitalized on its strengths in its growth plan? If so, how?
- 2) What are the internal and external weakness the company has attempted to overcome in its growth plan and how?

OR

Q.5 Many states are Experiencing budget shortfalls. There was news on news channel 14 that Delhi Government was considering raising its tax on cigarettes to increase its tax receipts. The average tax per pack of cigarettes in Delhi was Rs 5. Delhi is

Page 2 of 3

www.FirstRanker.com

considering raising its taxes from Rs 5 to Rs 10, which is predicted to increase tax revenue by Rs 570 million.

We know that cigarette industry is not perfectly competitive. The manufacturers are not price-takers but price-makers. The industry is dominated by two large firms: ITC and Godfrey Phillips India.

Question

- 1) If ITC raises its price, how will Godfrey Phillips India respond?
- 2) Is there any way ITC and Godfrey Phillips India can keep prices high?
- 3) Is it credible for ITC to threaten a price war with Godfrey Phillips India if Godfrey Phillips India lowers its price?
