Kishan has been appointed as an Area Manager of a District, near to his home town by an Agribusiness firm. He is very happy to join because his native village is very near to that district. During his job he contacted some of his friends who were in the village and were involved in farming. Ramanuj , kishan's childhood friend came to kishan's office one day for taking his guidance in the setting up an Agribusiness unit in the village.

Assume you are Kishan and suggest your friend Ramanuj the right steps or course of action for setting up an Agribusiness enterprise in the village.

**OR**

Case Study
