S.A.Q.

1. Write the symptoms of Doshapaka and Dhatupaka
2. Explain about Doshagati
3. Enlist Upadhatupradoshaja vikaras
4. Enlist Indriyapradoshaja vikaras
5. Explain Trividha rogamarga
6. Write the symptoms of Mala vriddhi and Kshaya.
7. Write the symptoms of Anyonya aavarana.
8. Write the definition & importance of Roganidan- Vikritivignana .
9. Mention the relationship between Dhatu-Upadhatu and Mala.
10. Write the difference between Srotodushti and Khavaigunya.
11. Write the types & characteristics of Agnidushti.
12. Write the common causes and types of Srotodushti.
13. Write the causes & symptoms of Dhatuvaha strotodushti.

14. Explain the importance of srotas for the manifestation of diseases.
15. Explain the stanza - Su.Su.15/48
16. Explain the stanza – Su.Su.21/8
17. Explain the stanza – Ch.su.28/3
18. Explain the stanza – Ch.su.17/117
19. Explain the stanza – Ch. Chi.15/17
20. Explain the stanza – Ch.Su.28/31
21. Explain the stanza -Ch.Su.28/33
22. Explain the stanza – A.H. Su.11/26
23. Explain the stanza – Ch.Vi.5/23
24. Explain the stanza – Ch.Vi.5/24
25. Explain the stanza – Ch. Chi.15/3

2 marks questions.

1. Define the word Rogvignan.
2. Define the word Vikriti vignan
3. What is the difference between Dhatu & Upadhatu?
4. Enlist the diseases occurred by Vikruti of Prana vayu.
5. Enlist the diseases occurred by Vikruti of Udana vayu.
6. Enlist the diseases occurred by Vikruti of Saman vayu.
7. Enlist the diseases occurred by Vikruti of Apana vayu.
8. Enlist the diseases occurred by Vikruti of Vyana vayu.
9. Enlist the diseases occurred by Vikruti of Pachak pitta.
10. Enlist the diseases occurred by Vikruti of Ranjak pitta.
11. Enlist the diseases occurred by Vikruti of Sadhak pitta.
12. Enlist the diseases occurred by Vikruti of Aalochaka pitta.
13. Enlist the diseases occurred by Vikruti of Bhrajak pitta.
14. Enlist the diseases occurred by Vikruti of Kledaka kapha.
15. Enlist the diseases occurred by Vikruti of Bodhak kapha.
16. Enlist the diseases occurred by Vikruti of Tarpak kapha

17. Enlist the diseases occurred by Vikruti of Avalambak kapha.
18. Enlist the diseases occurred by Vikruti of Shleshak kapha.
19. Define the word Avrita.
20. Define the word Aavarak.
21. Write the root,causes and symptoms of Pranavaha srotodushti.
22. Write the root,causes and symptoms of Udakavaha srotodushti
23. Write the root,causes and symptoms of Annavaha srotodushti.
24. Write the root,causes and symptoms of Rasavaha srotodushti.
25. Write the root,causes and symptoms of Raktavaha srotodushti.
26. Write the root,causes and symptoms of Mamsavaha srotodushti.
27. Write the root,causes and symptoms of Medovaha srotodushti.
28. Write the root,causes and symptoms of Ashthivaha srotodushti.
29. Write the root,causes and symptoms of Majjavaha srotodushti.
30. Write the root,causes and symptoms of Shukravaha srotodushti.
31. Write the root,causes and symptoms of Mutravaha srotodushti.
32. Write the root,causes and symptoms of Purishavaha srotodushti.
33. Write the root,causes and symptoms of Swedavaha srotodushti.
34. Write the symptoms of Rasadhatu vriddhi & kshaya.
35. Write the symptoms of Raktadhatu vriddhi & kshaya.
36. Write the symptoms of Mamsadhatu vriddhi & kshaya.
37. Write the symptoms of Medodhatu vriddhi & kshaya.
38. Write the symptoms of Ashthidhatu vriddhi & kshaya.
39. Write the symptoms of Majjadhatu vriddhi & kshaya.
40. Write the symptoms of Shukradhatu vriddhi & kshaya.
41. Write the symptoms of Mutra vriddhi & kshaya.
42. Write the symptoms of Purisha vriddhi & kshaya.
43. Write the symptoms of Sweda vriddhi & kshaya.
44. Write the symptoms of Sama-niram Vata dosha.
45. Write the symptoms of Sama-niram Pitta dosha.

46. Write the symptoms of Sama-niram Kapha dosha.
47. Write the symptoms of Sama-niram mala
48. Write the symptoms of Pittavrita Vata.
49. Write the symptoms of Kaphavrita Vata.
50. Write the symptoms of Raktavrita Vata.
51. Write the symptoms of Mamsavrita Vata.
52. Write the symptoms of Medasavrita Vata.
53. Write the symptoms of Asthi avrita Vata.
53. Write the symptoms of Shukraavrita Vata.
54. Write the symptoms of Annavrita Vata.
55. Write the symptoms of Malavrita Vata.
56. Write the symptoms of Mutravrita Vata.
57. Write the symptoms of Sarvadhātu avrita vata.
58. Write the symptoms of Pittavrita prana vayu.
59. Write the symptoms of Kaphavrita prana vayu.
60. Write the symptoms of Pittavrita udanavayu.
61. Write the symptoms of Kaphavrita udana vayu.
62. Write the symptoms of Pittavrita saman vayu.
63. Write the symptoms of Kaphavrita saman vayu.
64. Write the symptoms of pittavrita vyana vayu.
65. Write the symptoms of Kaphavrita vyana vayu.
66. Write the symptoms of Pittavrita apana vayu.
67. Write the symptoms of Kaphavrita apana vayu.
68. Enlist the upadravas of Aavarana.
69. What means by Sthanastha Dhatu?
70. What means by Margastha Dhatu?

VYADHI VIGYANA

L.A.Q.

1. Write the definition of Vyadhi. Describe its Classification according to Sushruta.
2. Write the definition & synonyms of Vyadhi. Describe its Classification according to Charaka.
3. Define the word Vyadhi. Describe its Classification.

8. What means by NIja Roga?
9. What means by Aagantuj Roga?
10. What is Pratyutpanna karmaj roga?
11. What is Purvakarmaj roga?
12. Write the criteria of Sukha sadhya vyadhi.
13. Write the criteria of Krichha sadhya vyadhi.
14. Write the criteria of Yapya vyadhi.
15. Write the criteria of Pratyakhyey vyadhi.
16. What means by Kulaj vyadhi. Give 2 examples of it.
17. What is Swabhavik Vyadhi?
18. What means by Sastrakrit & Vyalakrit Vyadhi?
19. What means by Aakasmik & Sansargaj Vyadhi?
20. Give the definition & types of Nidanarthakara Vyadhi.
21. What means by Hetu sankara?
22. What means by Linga sankara?

23. What means by Vyadhi sankara?
24. What is DSM classification?
25. How many types of Ojus? Write its qualities.
26. What means by Sahaj Bala?
27. What means by Yuktikrita Bala?
28. What means by Kalkrita Bala?
29. Give the definition of Hereditary diseases.
30. Give the definition of Congenital diseases.
31. Give the definition of Acquired diseases.
32. Give the definition of Multifactorial diseases.
33. Give the definition of Traumatic diseases.
34. Give the definition of Environmental diseases.
35. Enlist the Indriya pradoshaja vikaras.
36. Enlist the Ashtamahagada according to Sushruta.
37. What means by Ashtanindita? Which are?
38. What is Vyadhikshamatva?
39. Which are Vaydhisaha Purush?
40. Which are Avyadhisaha Purush?
41. Write the symptoms of Ojovistramsa.
42. Write the symptoms of Ojovyapada.
43. Write the symptoms of Ojo Kshaya.

BASIC PATHOLOGY

L.A.Q.

1. Give the definition of Pathology. Describe its subdivisions its importance.
2. What is cell ? Explain about cell injury and its causes.
3. Define the word cell. Explain about cellular adaptations.
4. Write the definition, causes, signs and types of Inflammation.
5. Explain about definition, causes, mechanism of Oedema.

6. Describe definition,causes,classification and pathogenesis of Shock.
7. Give the definition of Immunity.Describe its types and immune response of the body.
8. Define the word tumor.Explain the components,classification and nomenclature of tumors.
9. What is micro organism? Explain about Structure,classification and importance of Bacteria.
10. Explain about infection and infectious diseases.

S.A.Q.

1. Definition,types and causes of thrombosis.
2. Definition,types and causes of haemorrhage.
3. Definition,types and causes of embolism.
4. Definition,types and causes of Infarction.
5. Definition,mechanism and causes of Ischemia.
6. Definition & types of Gangrene.
7. Difference between Dry gangrene & Wet gangrene.
8. Auto immune diseases.
9. Hypersensitivity
- 10.Difference between Benign and Malignant tumor.
- 11.Disorders of deficiency of macronutrients.
- 12.Disorders of deficiency of micronutrients.
- 13.Structure and classification of worms.
- 14.Explain about the two process of repair.
- 15.Write the sub-divisions of Pathology.
- 16.Acquired immune deficiency diseases.

2 Marks questions

1. Write the common symptoms of allergy.
2. Write the characteristics of Benign tumor.
3. Write the characteristics of Malignant tumor.

4. Enlist the diseases occurred by Vitamin A deficiency & Excess.
5. Enlist the diseases occurred by Vitamin D deficiency & Excess.
6. Enlist the diseases occurred by Vitamin E deficiency & Excess.
7. Enlist the diseases occurred by Vitamin K deficiency & Excess.
8. Enlist the diseases occurred by Protein deficiency & Excess.
9. Enlist the diseases occurred by Carbohydrate deficiency & Excess.
10. Enlist the diseases occurred by Fat deficiency & Excess.
11. Give the definition of thrombosis.
12. Give the definition of Embolism
13. Give the definition of Haemorrhage.
14. Give the definition of Infarction.
15. Give the definition of Necrosis.
16. Give the definition of Ischemia.
17. What means by cell Injury?
18. What means by cellular adaptations?
19. Enlist the cardinal signs of Inflammation.
20. What means by Regeneration?
21. What means by Repair?
22. Give the definition of Healing.
23. Which are the diagnostic tests for AIDS?
24. What is Autoimmune diseases?
25. What is Gangrene?

NIDANA PANCHAK VIGYANAM

L.A.Q.

1. What is Nidanpanchak? Describe definition, synonyms , types & importance of Nidan in details.
2. What is Nidanpanchak? Describe definition, types & importance of Upashaya in detail.
3. What is Nidanpanchak? Describe definition, synonyms, types & importance of Samprapti in detail.
4. Describe about Shadvidha Kriyakaal.
5. Write about Sadhyaasadhyata its types, parameters and importance.

S.A.Q.

1. Difference between Roga and Rogi Pariksha.
2. Difference between Vyadhi and Lakshana.
3. Difference between Upadrava and Arishta.
4. Relationship between Nidan Panchaka and Shat Kriyakaal.
5. General diagnostic principles for Anukta Vyadhi.
6. Definition, synonyms and importance of Rupa.
7. Definition, synonyms and types of Purvaroop.
8. Importance of Nidanpanchak.
9. Aashayapakarsha.
10. Explain the stanza – Ch.Ni.1/6
11. Explain the stanza – Ma.Ni.1/4
12. Explain the stanza – Ch.Vi.4/3
13. Explain the stanza – A.H.Su.1/22
14. Explain the stanza – Ch.Su.17/45
15. Explain the stanza – Ch.Sha. 1/102
16. Explain the stanza – Ma.Ni. 1/5-6
17. Explain the stanza – Ch.Vi.4/8
18. Explain the stanza – A.H.Ni.1/8

19. Explain the stanza – Su.Ut.1/25
20. Explain the stanza – Ch.Su.10/11

2 Marks Question

1. Define the word Nidan.
2. Give the definition of Purvaroop.
3. Give the definition of Rupa.
4. Write the difference between Samanya purvaroop & Vishishta purvaroop.
5. Define the word Aagati.
6. Define the word Upashaya.
7. Define the word Anupashaya.
8. Give the definition of Upadrava.
9. Give the definition of Arishta .
10. Define the word Udarka.
11. What means by Aashayapakarsha?
12. Write the definition & example of Sannikrushta hetu.
13. Write the definition & example of Viprakrushta hetu.
14. Write the definition & example of Pradhanik hetu.
15. Write the definition & example of Vyabhichari hetu.
16. Write the definition & example of Asatmendriyarth samyog.
17. Write the definition of Pragnaparaadha.
18. Define the word Parinaam.
19. Write the definition & example of Dosha hetu.
20. Write the definition & example of Vyadhi hetu.
21. Write the definition & example of Ubhaya hetu.
22. Write the definition & example of Utpadak hetu.
23. Write the definition & example of Vyanjak hetu.
24. What means by Prakrit –Vaikrit hetu?
25. What means by Prakriti – Vikriti hetu?
26. What means by Swatantra – Paratantra hetu?

27. Give the definition & example of Samkhya samprapti.
28. Give the definition & example of Pradhanya samprapti.
29. Give the definition & example of Bala samprapti.
30. Give the definition & example of kala samprapti.
31. Give the definition & example of Vikalp samprapti.
32. Give the definition & example of Vidhi samprapti.
33. Give the definition & example of hetu viparit Aahar.
34. Give the definition & example of hetu viparit Vihar
35. Give the definition & example of hetu viparit aushadh.
36. Give the definition & example of Vyadhi viparit Aahar.
37. Give the definition & example of Vyadhi viparit Vihar.
38. Give the definition & example of Vyadhi viparit Aushadh.
39. Give the definition & example of Ubhaya viparit Vihar.
40. Give the definition & example of ubhaya viparit Aahar.
41. Give the definition & example of Ubhaya viparit aushadh.
42. Give the definition & example of Hetuviparitarthakari Vihar.
43. Give the definition & example of Hetu viparitarthakari Ahara.
44. Give the definition & example of Hetu viparitarthakari Aushadh.
45. Give the definition & example of Vyadhi viparitarthakari Vihar.
46. Give the definition & example of Vyadhi viparitarthakari Ahara.
47. Give the definition & example of Vyadhi viparitarthakari Aushadh.
48. Give the definition & example of Ubhaya viparitarthakari Aushadh.
49. Give the definition & example of Ubhaya viparitarthakari Ahara.
50. Give the definition & example of Ubhaya viparitarthakari Vihar.

PARIKSHA VIGYANA

L.A.Q.

1. What is Roga-Rogi pariksha? Describe about Trividha pariksha in detail.
2. Explain about Chaturvisha Pariksha in detail.
3. Give the definition of Pariksha. Write details about Shadvidha Pariksha.
4. Describe about Ashtavisha Pariksha.
5. What means by Rogi bala parisksha? Explain it in detail.

S.A.Q.

1. Nadi Pariksha.
2. Mutra Pariksha.
3. Mala Pariksha
4. Sparshana Pariksha
5. Jihva Pariksha
6. Subjects of Anumaan Pariksha
7. Introduction to Electrocardiography
8. Introduction to Ultrasonography
9. Introduction to X-Ray
10. Introduction to CT scan
11. Introduction to MRI
12. Dasavidha Parikshya bhava
13. Explain the Stanza – Ch. Vi.5/22
14. Explain the Stanza – Ch. Vi.4/3
15. Explain the Stanza – Ch. Su.11/25

2 Marks Questions

1. What is Prakriti Pariksha?
2. What is Vikriti Pariksha?
3. Write the characteristics of Rasa Sara purusha Lakshanas.
4. Write the characteristics of Rakta Sara purusha Lakshanas.
5. Write the characteristics of Mamsa Sara purusha Lakshanas.

6. Write the characteristics of Medo Sara purusha Lakshanas.
7. Write the characteristics of Asthi Sara purusha Lakshanas.
8. Write the characteristics of Majja Sara purusha Lakshanas.
9. Write the characteristics of Shukra Sara purusha Lakshanas.
10. Write the characteristics of SarvaSara purusha Lakshanas.
11. Give the definition of ECG.
12. Give the definition of X-Ray.
13. Which are Trividha Pariksha?
14. Which are Chaturvidha Pariksha?
15. Which are Shadvidha Pariksha?
16. Who is contra-indicated for Nadi pariksha.
17. Which factors are examined by Aaptopadesh Ppariksha?
