38. Types of Gridhrasi.
39. Agnikarma in Gridhrasi.
40. TrirupaRajayakshma
41. Types of Shvasaroga.
42. Types of Hikka.
43. Types of Urakshata.
44. What is Avarana?
45. Types of Kasa.
46. What is Kampavata?
47. What is Udavarta?
48. What is Vatakantaka?
49. What is Avabahuka?
50. What is Bronchitis?
51. What is COPDs?
52. What is Bronchiectasis?
53. What is Emphysema?
54. What is Gullian Barrie Syndrome?
55. What are the symptoms of Vatika Sotha.
56. What are the symptoms of Kaphaja Sotha.
57. Write the chikitsa sutra of Udakavaha srotasa.
58. How many stages of Jalodara? Give the name.

59. What is the meaning of Pichhotpatti?
60. Write the disease name due to Udakavaha srotodushti.
61. How many types of Jalodara? Give them nama.
62. Write the chikitsa sutra of Jalodara.
63. Which formulation used in Jalodara?
64. Write the symptoms of Jatodaka Avastha.
65. Write the symptoms of Ajaatodaka Avastha.
66. Write the symptoms of Agantuja shotha.
67. Write the Nirukti and types of Sotha.
68. Write the types of Trishna according to Acharya Charak.
69. Write the types of Trishna according to Acharya Sushruta.
70. Write the types of Trishna according to Acharya Vagbhatt.
71. Write the Pratyatm Lakshan of Trishna.
72. Which dosha involved in all types of Trishna.
73. Which gland responsible to electrolyte imbalance.
74. What is the function of Na?
75. What is the function of K?
76. What is the meaning of osmolality?
77. Write the symptoms of Water deficiency?
78. Write the symptoms of Hypernatraemia.
79. Write the symptoms of Hyponatraemia.
80. Write the symptoms of Hyperkalemia.
81. Write the symptoms of Hypokalemia.
82. Write the normal value of Na.
83. Write the normal value of K.
84. What is the meaning of Agnimandhya? How many types?
85. What is the meaning of Ajeerna? How many types?
86. What is meaning of Anaha?
87. What is the meaning of Atopa?
88. What is the meaning of Adhman?
89. Which Dosha involved in Shoola? Write the types of Shoola.

90. What is the meaning of Bhasmaka?
91. Write the treatment of Bhasmaka.
92. What is meaning of Amlapitta?
93. Write the types of Amlapitta according to Acharya Charaka.
94. What is meaning of Gulma? Write the types of Gulma.
95. Write the symptoms of Alasaka.
96. Write the symptoms of Visuchika.
97. What is the meaning of Annadravshoola?
98. What is the meaning of Parinamashoola?
99. Write the symptoms of Amajeerna.
100. Write the symptoms of Vidagdhajeerna.
101. Write the symptoms of Vistabdhajeerna.
102. Write the symptoms of Rasashesajeerna.
103. Write the symptoms of Deenpaki ajeerna.
104. Write the Chikitsa sutra of Amajeerna.
105. Write the Chikitsa sutra of Vidagdhajeerna.
106. Write the Chikitsa sutra of Vistabdhajeerna.
107. Write the Chikitsa sutra of Rasashesajeerna.
108. Write the Chikitsa sutra of Deenpaki ajeerna.
109. Write the chikitsa sutra of Grahani.
110. Which drugs used is colic pain?
111. What is the importance of Vata dosha in Gulma?
112. Write the specific chikitsa sutra of Gulama.
113. Write the samanya chikitsa sutra of Amlapitta

**5 MARKS QUESTIONS:**

114. What is the line of treatment of Kasa and Shvasa?
115. What is the line of treatment Parkinsonism?
116. Which are the clinical features of Myasthenia Gravis?
117. Write short note on: Atopic Asthma
118. What is KoshtukaShirsha? What may be causes for it as per modern science?
119. Write short note on: Lathyrism
120. Write short note on: Kalayakhanja
121. Write short note on: Vishvachi
122. Write short note on: Avabahuka
123. Write short note on: Ardita
124. Write short note on: Manyastambha
125. Write short note on: Adhmana- Pratyadhmana
126. Write short note on: Tooni- Pratitoni
127. Write short note on: VatarogaSamanyaChikitsa
128. Write short note on: TamakaShvasa
129. Write short note on: MahaShvasa
130. Write short note on: ChhinnaShvasa
131. Write short note on: KshudraShvasa
132. Write short note on: UrdhvaShvasa
133. Write short note on: Treatment of Ardita
134. Write short note on: AvaranaChikitsa
135. Write short note on: Urakshata
136. Write short note on: Bronchitis
137. Write short note on: Bronchieactasis
138. Write short note on: Emphysema
139. Write short note on: Pneumonia
140. Write down the pharmacotherapy Bronchial Asthma.
141. Write short note on: treatment of Hikka
142. What is the Bahirayama according Acharya Charaka?
143. Describe the line of treatment of Avarana.

144. Write short note on: Udavarta
145. BahirparshanaChikitsa in Rajyakshma
146. Write short note on: Treatment of Adhmana and Pratyadhmana
147. Write down the Nasya Yoga for Hikka.
148. Write down the causes of Hiccup as per modern science.
149. Describe the efficacy of physiotherapy in Hemiplegia.
150. Describe the efficacy of physiotherapy in facial paralysis.
151. Describe the efficacy of physiotherapy in Manyastambha.
152. Why Panchakarma treatment is contra-indicated in Urustambha?
153. Describe the treatment of Peenasa in the patients of Rajyakshma?
154. Describe the treatment of Mukhavairasya in the patients of Rajyakshma?
155. Describe the causes of Parshvashoola.
156. Describe the treatment of Hanugraha.
157. Describe the treatment of Padaharsha and Padadaha.
158. Describe the treatment of Tuni-Pratituni.
159. Describe the SampraptiGhataka of Urustambha.
160. Describe the SampraptiGhataka of TamakaShvasa
161. Describe the line of treatment of Urustambha in brief.
162. Describe the treatment of Pakshaghata in brief.
163. Which are the ingredients of "Shadadharana Yoga" and in which disease it is indicated?
164. Write down the various physical findings in the patient of COPD.
165. What is bronchial asthma and which are the precipitating factors for it?
166. What is the treatment of bronchial asthma?
167. Write down the emergency treatment during acute attack of bronchial asthma.
168. Write short note on: पक्षाघाते विरेचनं |
169. Write short note on: अर्दिते नावनं मूर्ध्नि तैलं तर्पणमेव च --- |
170. तमके तु विरेचनं |
171. Write down the types and clinical features of Meningitis.

172. Write down the presenting symptoms and name of virus producing the Tetanus.
173. What is the differential diagnosis of Tetanus?
174. What is the line of treatment for Tetanus?
175. What is Malaria? Describe the clinical features of Malaria.
176. Write short note on: Antimalarial drugs
177. Write down the clinical feature of Kala-azar.
178. What is Lower motor neuron?
179. What is Upper motor neuron?
180. Ayurvedic management of COPDS.
181. Ayurvedic management of Facial Paralysis.
182. Ayurvedic management of Pulmonary tuberculosis.
183. Ayurvedic management of Parkinsonism.
184. Management of VatikaKasa.
185. Samprapti of Pratishyaya in Rajayakshma.
186. Explain: यत्किञ्चित् कफवातघ्नं उष्णं वातानुलोमनम् ।
187. MamsaChikitsa in Rajayakshma
188. Upadrava (complications) of Avarana
189. Treatment of Pakvashayagata Vata
190. Lakshana of Pittavrita Vata
191. Lakshana of Kaphavrita Vata
192. Lakshana of Raktavrita Vata
193. Lakshana of Majjavrita Vata
194. Lakshana of Bahirayama
195. Lakshana of Hanugraha
196. Chikitsa of Hanugraha
197. Lakshana of Akshepaka
198. Lakshana of Dandaka
199. Chikitsa of Arochaka in Rajayakshma.
200. Explain the stanza "उदानं योजयेद् धूर्ध्वमपानं चानुलोमयेत् । "
201. Explain: देहे स्रोतंसि रिक्तानि पूरयित्वा अनिलो बलि ।

202. Explain: पूर्वरूपं प्रतिश्यायो दौर्बल्यं दोषदर्शनं |  
अदोषेष्वपि भावेषु काये बीभत्सदर्शनं
203. Write the symptoms, investigation and treatment of Hypernatremia
204. Write the symptoms, investigation and treatment of Hyponatremia
205. Write the symptoms, investigation and treatment of Hypervolemia
206. Write the symptoms, investigation and treatment of Hypovolemia.
207. What is the meaning of Osmolality? Write the symptoms and treatment of Water Deficiency in the body.
208. Write the cause, symptoms and Chikitsa sutra of Anorexia.
209. Write the types, symptoms and chikitsa of Agnimandhya.
210. What is the meaning of Osmolality? Write the symptoms and treatment of Water increase in the body.
211. What is the meaning of Ajeerna? Write the symptoms and chikitsa Of Amaeerna.
212. What is the meaning of Ajeerna? Write the symptoms and chikitsa Of Vidagdhaeerna.
213. What is the meaning of Ajeerna? Write the symptoms and chikitsa Of Vistabdhajeerna..
214. What is the meaning of Ajeerna? Write the symptoms and chikitsa Of Dinpaki Ajeerna.
215. Write the difference between Alasaka and Visuchika.
216. Write the difference between Anaha and Atopa and chikitsa sutra.
217. Write the samprapti and chikitsa of Gulma.
218. Write the definition and types of shoola. Write symptoms of Amaja
219. Shoola.
220. What is the difference between Parinam shoola and
221. Annadravshoola.
222. Write the Nirukti, samprapti and chikitsa sutra of Grahani.
223. Write the Nirukti, samprapti and chikitsa sutra of Amplapitta.
224. Write the Nirukti, samprapti and chikitsa sutra of Chhardi.

225. Write the chikitsa sutra of Annavaḥa srotasa and explain Bhasmak.
226. Write the difference between Atisara and Grahani.
227. Write the difference between Pravahika and Grahani.

**10 MARKS QUESTIONS:**

228. Which are the symptoms of PranavahaSrotodushti. Describing the types of Shvasarogaexplain the treatment of Shvasaroga in brief.
229. Which are the Nidana (causes), Purvarupa and ShadvidhaLakshana for the Rajayakshma? Write down the Anuloma and pratilomaSamprati in detail.
230. What is meant by "Hikka"? How many types of Hikka? Describe the AnnajaHikka in detail.
231. What is TamakaShvasa? Describing the Rupa of TamakaShvasa mention the types of TamakaShvasa.
232. What is Gullian Barrie Syndrome? Describe its clinical features in detail and write down its Management.
233. What is the physical findings on examination of Parkinsonism patient? Describe its clinical features in detail and write down its Management.
234. Describing the general Nidana and Purvarupa of Vatavyadhi explain the NidanaPanchaka of Ardita with its treatment.
235. Describing the Purvarupa of Vatavyadhi explain the NidanaPanchaka of Gridhrasiwith its treatment.
236. Describing the Nidana of Shvasaroga explain the types of Shvasaroga with its treatment.
237. Describing the Types of Kasa explain the NidanaPanchaka of Gridhrasi with its treatment.
238. What is the Motor Neurone Diseases? How many types of it? Explain the difference between them and write down the name of disease caused due to Upper motor neurone.
239. What is Avarana? Defining the terms "Avaraka" and "Avruta" explain the Upadrava and SamanyaChikitsa of Avarana.
240. What is Avarana? Defining the terms "Avaraka" and "Avruta" explain the stanza"उदानं योजयेद्धर्मपानं चानुलोमयेत | "
241. Write the Samprapti, types, symptoms and Chikitsa sutra of Jalodara.
242. Write the causes, symptoms, Investigation and treatment of

Ascites.

243. Write the Samprapti, types, symptoms and Chikitsa sutra of Sotha.
244. Write the Samprapti, types, symptoms and Chikitsa sutra of Trishna.
245. Explain disorders due to sodium Metabolism.
246. Explain disorders due to potassium Metabolism.
247. Explain disorders due to water imbalance.
248. Write the disorders due to water and electrolyte metabolism and explain the symptoms and treatment of Hypernatraemia.
249. Write the disorders due to water and electrolyte metabolism and explain the symptoms and treatment of Hyponatraemia.
250. Write the disorders due to water and electrolyte metabolism and explain the symptoms and treatment of Hypervolemia.
251. Write the disorders due to water and electrolyte metabolism and explain the symptoms and treatment of Hypovolemia.
252. What is the meaning of Osmolality? Write the disorders due to Water imbalance.
253. Write the disorders and chikitsa sutra of Annavaha srotasa  
Explain Agnimandya.
254. What is the meaning of Agnimandhya? Write the types, symptoms  
And chikitsa sutra of Agnimandhya.
255. What is the meaning of Ajeerna? Write the types, symptoms  
And chikitsa sutra of Ajeerna
256. What is the meaning of Gulma? Write the types, symptoms  
And chikitsa sutra of Gulma.
257. What is the meaning of Amlapitta? Write the types, symptoms  
And chikitsa sutra of Amlapitta.
258. What is the meaning of Grahani? Write the types, symptoms  
And chikitsa sutra of Grahani.
259. What is the meaning of Shoola? Write the types, symptoms

And chikitsa sutra of shoola.

260. What is the meaning of Visuchika? Write the types, symptoms

And chikitsa sutra of Visuchika.

261. What is the meaning of Alasaka? Write the types, symptoms

And chikitsa sutra of Alasaka.

262. What is the meaning of Bhasmaka? Write the symptoms

And chikitsa sutra of Bhasmaka.

**KAYACHIKITSA****PAPER-2 PART-B****Question for 2 marks:**

1. Write Chikitsa sutra of diseases of Mamsavaha srotas.
2. Chikitsa sutra of Sthaulya
3. Write two Ayurvedic drugs used for the disorder of Mamsavaha srotas.
4. Write Chikitsa sutra of Mamsavaha srotas.
5. Write Chikitsa sutra of Asthivaha srotas
6. Write line of treatment of diseases of Medovaha srotas.
7. Write two Ayurvedic drugs used for Karshya.
8. Write Chikitsa sutra of Medovaha srotas.
9. Write two Ayurvedic drugs used for the disorder of Medovaha srotas.
10. Write two Ayurvedic drugs used for the disorder of Majjavaha srotas.
11. Write line of treatment of diseases of Asthivaha srotas.
12. Write two Ayurvedic formulation used for osteomyelitis.
13. Write two Ayurvedic formulation used for osteoporosis.
14. Write two Ayurvedic drugs used for osteomyelitis.
15. Write two Ayurvedic drugs used for osteoporosis.
16. Write two Ayurvedic drugs used for osteopenia.
17. Write line of treatment of diseases of Majjavaha srotas.
18. Chikitsa sutra of Karshya.
19. Write two Ayurvedic drugs used for the disorder of Mutravaha srotas.
20. Write two Ayurvedic drugs used for the sexually transmitted diseases.
21. Write line of treatment of diseases of Shukravaha srotas.
22. Write two Ayurvedic drugs used for the disorder of Asthivaha srotas.
23. Write two Ayurvedic drugs used for the disorder of Shukravaha srotas.
24. Write Chikitsa sutra of Madhumeha.
25. Write line of treatment of diseases of Mutravaha srotas.
26. Write two Ayurvedic drugs used for BPH.
27. Write two Ayurvedic drugs used for CRF

28. Write Chikitsa sutra of Prameha
29. Write two Ayurvedic formulation used for dislipidaemia.
30. Write two Ayurvedic drugs used for the Graha disorder.
31. Write two Ayurvedic drugs used for dislipidaemia.
32. Write Chikitsa sutra of Mutravaha srotas.
33. Write two Ayurvedic formulation used for BPH.
34. Write two Ayurvedic formulation used for CRF.
35. Write laboratory investigations and radiological investigations conducted in CRF.
36. Write laboratory investigations and radiological investigations conducted in nephritis.
37. Write laboratory investigations and radiological investigations conducted in cystitis.
38. Write line of treatment of diseases of Purishavaha srotas.
39. Write Chikitsa sutra of Pravahika.
40. Write Chikitsa sutra of Atisara
41. Write two Ayurvedic formulation used for Atisara.
42. Write two Ayurvedic formulation used for IBS.
43. Write two Ayurvedic drugs used for Pravahika.
44. Write two Ayurvedic drugs used for Atisara.
45. Write Pratyatma Lakshana of Atisara.
46. Write Pratyatma Lakshana of IBS.
47. Write two Ayurvedic drugs used for IBS.
48. Write line of treatment of sexually transmitted diseases.
49. Write two Ayurvedic formulation used for syphilis.
50. Write two Ayurvedic formulation used for gonorrhea.
51. Write two Ayurvedic drugs used for gonorrhea.
52. Write two Ayurvedic drugs used for Phiranga.
53. Write two Ayurvedic drugs used for shukra dosha.
54. Write two Ayurvedic drugs used for Kshina shukra.
55. Write Chikitsa sutra of Apasmar.

56. Write two Ayurvedic drugs used for Upadansha.
57. Write two Ayurvedic drugs used for Unmada.
58. Write two Ayurvedic drugs used for Apasmar.
59. Write Chikitsa sutra of Attatvabhinivesha.
60. Write line of treatment of diseases of Manovaha srotas.
61. Write two Ayurvedic drugs used for the disorder of Manovaha srotas.
62. Write two Ayurvedic drugs used for anxiety.
63. Write two Ayurvedic drugs used for depression.
64. Write line of treatment of Manasa roga.
65. Write Pratyatma Lakshana of anxiety.
66. Write Pratyatma Lakshana of depression.
67. Write two Ayurvedic drugs used for the Manasa roga.
68. Write Chikitsa sutra of Unmada.
69. Write Pratyatma Lakshana of Unmada.
70. Write Pratyatma Lakshana of Apasmar.
71. Write two Ayurvedic formulation used for Chittodwega.
72. Write two Ayurvedic formulation used for Vishada.
73. Write two Ayurvedic formulation used for depression.
74. Write line of treatment of Graha disorder.
75. Write Chikitsa sutra of Manas roga.
76. Write two Ayurvedic formulation used for the Manasa roga.
77. Write Chikitsa sutra of Shukravaha srotas.
78. Write two Ayurvedic formulation used for shukra dosha.
79. Write two Ayurvedic formulation used for Kshina shukra.
80. Write Pratyatma Lakshana of Kshina shukra.
81. Write Chikitsa sutra of Majjavaha srotas.
82. Write Chikitsa sutra of Purishavaha srotas.
83. Write two Ayurvedic formulation used for the sexually transmitted diseases.
84. Write two Ayurvedic formulation used for the Graha disorder.
85. Write two Ayurvedic formulation used for Karshya.
86. Write two Ayurvedic formulation used for osteopenia.

87. Write two Ayurvedic formulation used for nephritis.
88. Write two Ayurvedic formulation used for cystitis.
89. Write two Ayurvedic formulation used for Pravahika.
90. Write two Ayurvedic formulation used for ulcerative colitis.
91. Write two Ayurvedic formulation used for Phiranga.
92. Write two Ayurvedic formulation used for Puyameha.
93. Write two Ayurvedic formulation used for Upadansha.
94. Write two Ayurvedic formulation used for Unmada.
95. Write two Ayurvedic formulation used for Apasmar.
96. Write two Ayurvedic formulation used for Attatvabhinivesha.
97. Write two Ayurvedic formulation used for anxiety.
98. Write two Ayurvedic formulation used for Manas roga.
99. Write two Ayurvedic drugs used for the disorder of Purishavaha srotas.
100. Write two Ayurvedic drugs used for nephritis.
101. Write two Ayurvedic drugs used for cystitis.
102. Write two Ayurvedic drugs used for ulcerative colitis.
103. Write two Ayurvedic drugs used for syphilis.
104. Write two Ayurvedic drugs used for Puyameha.
105. Write two Ayurvedic drugs used for Attatvabhinivesha.
106. Write two Ayurvedic drugs used for Chittodwega.
107. Write two Ayurvedic drugs used for Vishada.
108. Write two Ayurvedic drugs used for Manas roga.
109. Write laboratory investigations useful for dislipidaemia.
110. Write laboratory investigations and radiological investigations for osteomyelitis.
111. Write laboratory investigations and radiological investigations for osteoporosis.
112. Write laboratory investigations and radiological investigations conducted in osteopenia.
113. Write laboratory investigations and radiological investigations conducted in oligospermia.

114. Write laboratory investigations and radiological investigations conducted in azoospermia.
115. Write two Ayurvedic drugs used for oligospermia.
116. Write two Ayurvedic drugs used for azoospermia.
117. Write laboratory investigations and radiological investigations conducted in BPH.
118. Write Pratyatma Lakshana of BPH.
119. Write Pratyatma Lakshana of Pravahika.
120. Write Pratyatma Lakshana of ulcerative colitis.
121. Write Pratyatma Lakshana of Phiranga.
122. Write Pratyatma Lakshana of Puyameha.
123. Write Pratyatma Lakshana of Attatvabhinivesha.
124. Write Pratyatma Lakshana of Chittodwega.
125. Write Pratyatma Lakshana of Vishada.
126. How many types of Arbuda?
127. What meant by "Apachi"?
128. How many types of Vatika Prameha? Write two name.
129. Which investigation advised for renal failure?
130. Write two symptoms of congenital syphilis.
131. Which is the best drug for Gandmala?
132. Write the Ayurveda medicines useful in Osteoporosis.
133. Mention the difference between Atisara and Pravahika.
134. Mention the types of Mutrakrichchra.
135. Write the Ayurveda medicines useful in Urinary tract infection.
136. Write the difference between Murchachha and Sanyasa.
137. Name two diseases occurring due to fear.
138. Classical signs showing cure of Unmad.
139. Properties and functions of Mana.
140. Write Chikitsa Sutra for Manas Rogas.
141. Write about "Prashasta Shukra".
142. Write Definition of Apasmara.

143. Write Karmas of Mana.
144. Atatvabhinivesh.
145. Medhya Rasayana.
146. Aachar Rasayana.
147. Doshas responsible to cause Insomnia and treatment of Insomnia.
148. What is meant by Kamyas Rasayana?
149. Shilajatu Rasayana.
150. Full form of AIDS.
151. Describe symptoms and signs of "Sandhigat Vala".
152. Give the definition of Vajikaran.
153. Satvavjay Chikitsa.
154. Describe in short about the person eligible for Kutipravesik Rasayan.
155. Describe treatment of Muscular Dystrophy in short.
156. Treatment of Asthi Ashrita Dosha.
157. Ojo Vyapada.
158. Symptoms of Mutra Kshaya.
159. Symptom of Manasvritta Vata.
160. Describe the treatment of vitiated Vayu in Asthidhatu.
161. Differentiate Atisara-Grahani.
162. Differentiate-Mootrakruchhra-Mootraghata.
163. Give name of microbes.-1) Syphilis, 2) Soft chancre, 3) Gonorrhoea
