MASTER OF BUSINESS ADMINISTRATION

The MBA course aims at providing inputs to the students relevant to the business, industry and trade so that they can function in different organizations and face the challenges arising there from. The course not only aims at providing knowledge and skills in different areas of management, but also provides inputs necessary for the overall development of the personality of the students.

The structure of the course is designed in a way that students have to study the core courses from different functional areas of management that are made compulsory. Later on, specializations are offered in functional areas where the students can opt for two specializations out of the six ordered. Marketing, Finance, IT, HR, International Business and Rural Development. Right from the beginning of the course, the focus is on providing relevant inputs through case discussion / analysis, simulation games, note plays etc, keeping in mind the current business scenario.

Broadly, the course is of two years divided into four semesters, each semester having eight compulsory papers of 40 sessions each of one hour duration. There is a system of dual specialization having three papers (two in third semester and one in the fourth semester) from specialization 1, three papers (two in third semester and one in fourth semester from specialization 2.

Summer training for 6/8 weeks is compulsory for every student pursuing the course, which they have to undergo between second and third semester. Comprehensive Viva and Research project are part of the course. The case study shall be taught wherever required.

Evaluation of Papers

Every paper/course will carry maximum marks of 150(100 marks for semester examination and 50 marks for internal assessment, as per rules). Internal assessment will consist of two components (1) class test (30 marks) (2) Teacher assessment (20 marks). However, in subject NMBA 017 and NMBA 018, class test component will be consist of 15 marks for class test and 15 marks for presentation (NMBA 017) and practicals (NMBA 018). There will be no internal assessment in case of summer training project report (NMBA 035), Research project Report (NMBA 045) and comprehensive viva voce examination (NMBA 029 and NMBA 046). Question papers in semester examination will be divided into the following three parts:

Part 1: 20 marks

Containing six questions from the total syllabus out of which five are needed to attempt.

Part 2: 30 marks

Containing a case study or practical problem or numerical as relevant in the subject, in case of case problem, only one case will be given which will be compulsory. However, there may be maximum two practical problems or numerical with similar number of internal choices.

Part 3: 50 marks

Containing five questions, one from each unit, with one internal choice in each question.

Summer training project report

1. At the end of second semester examination, every student of MBA will undergo on-the-job practical training in any manufacturing, service or financial organization. The training will be of 6 to 8 weeks duration. The college/institute will facilitate this compulsory training for students
2. During the training, the student is expected to learn about the organization and analyse and suggest solutions of a live problem. The objective is to equip the student with the knowledge of actual functioning of the organization and problems faced by them for exploring feasible solutions and suggestions.
3. During the course of training, the organization (where the student is undergoing training) will assign a problem/project of the student.
4. The student, after the completion of training will submit a report to the college/institute which will form part of third semester examination. However, the report must be submitted by the end of august during third semester so that it is evaluated well in time and third semester results are not delayed.
5. The report (based on training and the problem/project studied) prepared by the student will be known as summer training project report. The report should ordinarily be based on primary dat. It should reflect in depth study of micro problem, ordinarily assigned by the organization where student undergoes training. Relevant tables and bibliography should support it.

One comprehensive chapter must be included about the organization where the student has undergone training. This should deal with brief history of the organization, its structure, performance products/services and problem faced. This chapter will form part 1 of the report. Part 2 of the report will contain the study of micro research problem. The average size of report ordinarily will be of 100 to 150 typed pages in standard font size (12) and double spacing. Three neatly typed and soft bound (paper back) copies of the report will be submitted to the college/institute. The report will be typed in A-4 size paper.

6. The report will have two certificates. One by the head of the institute/college and the other by the reporting officer of the organization where the student has undergone training. These two certificates should be attached in the beginning of the report.
7. The report will be evaluated by two external examiners. It will carry total of 150 marks divided into written report of 100 marks and presentation of 50 marks. There will be no internal examiner. Only such person will evaluate the project report who has minimum three years of experience of teaching MBA classes in a college/University. Experience of teaching MBA classes as guest faculty shall not be counted.
8. It is mandatory that the student will make presentation in the presence of teachers and students. The student is expected to answer to the queries and questions raised in such a meeting.

Research Project report

In fourth semester, the candidates will have to submit a Research Project report on a problem/topic (from the specialization areas) to be assigned by the department MBA under the supervision of a core faculty member of the department. The research project report will carry 150 marks. The evaluation of the project report will be done by two external examiners and will consist of (1) Evaluation of project report (100 marks) (2) viva on Project (50 marks). The average of the marks awarded by the 2 examiners will be taken into account for the results. In case the difference in the awards given by the examiners is 30 or more marks, the project report will be referred to the third examiner. In such cases the average of two closer awards (given by three examiners) will be taken into account for the results.

The report will contain the objectives and scope of the study. Research Methodology, use, importance of the study, analysis of data collected, conclusions and recommendations. It will contain relevant charts, diagrams and bibliography. A certificate of the supervisor and the Head of the MBA program certifying the authenticity of the report shall be attached therewith. The student will submit three copies of the report to the Head of MBA program. The number of pages in the report will be 75 or more. The report should be typed in A-4 size paper.

Comprehensive Viva

The comprehensive viva voce is scheduled at the end of it at the end of 2 and 4 semesters in order to judge the understanding as well as application of the knowledge gained by the students by the end of 2nd and 4th semester of the course. This is also to see the articulation of what is being learnt by them. This is also to see the articulation of what is being learnt by them. The idea is to see that students are able to digest what is being taught in two full year and see their relevance not only in the practical field but also their inter relationship. The viva voce is of 100 marks each to be conducted by the external examiners appointed by the University.
