8 Case Study (Compulsory)

12M

Now a day's children who are lured by advertisements are pressing their parents to eat out. This motivates entrepreneurs to start fast food restaurants. These restaurants serve busy customers who like to satisfy their hunger quickly and also enjoy the variety of food items offered. That is why fast food restaurants are very popular in all towns and cities.

A leading restaurant in Bangalore seeks to know the opinion of the customers over the services rendered by it. Conduct a survey using structured questionnaire and tabulate the result.

Questions:

1. What are the traits over opinion may be sought from respondents.?
2. Give your conclusions of the study.
