6. **Attempt following case study :**

Oligopolies are prevalent throughout the world and appear to be increasing ever so rapidly. Unlike a monopoly, where one corporation dominates a certain market, an oligopoly consists of a select few companies having significant influence over an industry. Oligopolies are noticeable in a multitude of markets. While these companies are considered competitors within the specific market, they tend to cooperate with each other to benefit as a whole, which can lead to higher prices for consumers.

- a. What do you mean by Oligopoly Market?
- b. How Oligopoly is different from Monopoly Market?

**NOTE : Disclosure of Identity by writing Mobile No. or Making of passing request on any page of Answer Sheet will lead to UMC against the Student.**
